IPSis *Silver Jubilee* Celebration: Iftar with the orphanage

Ramadhan, it's time of the year where one would take a minute to reflect on oneself and to give back to the community. This year, it is more special and meaningful as IPSis is celebrating its silver jubilee. Our spiritual journey takes a different path with a collaborative effort between UiTM Postgraduate Society(UiPS) and Kelab Staf IPSis. It was a special Ramadhan moment this year as we celebrate Buka Puasa with 25 orphans/ children from Teratak Nur Barakah at Mardhiyyah Hotel and Suites, Shah Alam, Selangor. Prior to the berbuka puasa, staff of IPSis joined by UiPS team, put hands together to set up a mini library corner at the Teratak Nur Barakah, Shah Alam.

The berbuka puasa started off with a heart-warming speech by the Dean of IPSis, Prof. Ir. Dr. Zuhaina Zakaria Berjaya and followed by recitation of du'a by Mr. Abdalmalek I. A. Aburabee from UiTM Postgraduate Society (UiPS), followed by distributing of Hari Raya gifts, Duit Raya to the children. IPSis also manage to contribute RM4000 to the management of Teratak Nur Barakah. Guests were then treated to a sumptuous berbuka puasa spread composing of traditional Hari Raya delicacies followed by the photography session.
