## MOU

15/11/2023 / Institute of Continuing Education and Professional Studies

SHAH ALAM, 9 NOVEMBER 2023 – As iCEPS (Institute Continuing Education and Professional Studies) celebrates its 50th Golden Jubilee, UiTM strengthens its international ties by formalizing collaboration with six prestigious local and international institutions. These Memorandums of Agreement and Understandings (MoA/MoUs) mark a significant milestone in fostering global connections in transnational education, leadership training, and professional and short courses programmes.

Under the leadership of UiTM's Vice-Chancellor, Prof. Datuk Dr. Shahrin Sahib @ Sahibuddin, FASc, this endeavor aligns perfectly with iCEPS' mission to promote lifelong learning through local and international partnerships. Prof. Shahrin believes that these collaborations will not only augment the university's local and international offerings but also introduce innovative approaches to excellence across multiple domains.

The university's unwavering commitment to quality education and lifelong learning, coupled with international recognition, positions UiTM as a leader in meeting the global demand for higher education.

The MoA and MoU were signed with the following partners who were present virtually and physically:

- Halal Department of Science & Technology (Halal DOST) Philippines
- Institute for Adult Development (IAD) United Kingdom
- Global Academia Sdn. Bhd.
- Yayasan Malindo Worldwide
- East West International College (EWIC)
