GRU2025

22/01/2024 / Unit Korporat IPSis

The highly anticipated PG4U event, organized by the Institute of Postgraduate Studies (IPsIs), was held on January 20th, 2024, at SACC Convention Centre, Shah Alam. Aimed at promoting higher education opportunities for postgraduates, the event witnessed an impressive turnout, with 306 visitors attending. With the participation of 22 faculties/colleges and two branches from Perak and Penang, the PG4U event showcased a wide range of courses and programs. The event served as a valuable platform for prograduates to explore their academic, fostering a greater understanding of the possibilities offered by pursuing advanced degrees.

Throughout the day, representatives from the participating faculties/colleges engaged with visitors, highlighting the distinctive features of their respective programs. Information booths were set up, providing an interactive experience for attendees to learn more about various fields of study, faculty expertise, and admission requirements.

The highly anticipated highlight of PG4U was the application process for interested prograduates. A total of 201 application pin numbers were generated during the event. This demonstrates the significant interest amongst visitors in pursuing higher education and taking advantage of the array of opportunities available.

IPSiS plans to build on the success of PG4U and hopes to organize similar events in the future to cater to the continuous demand for quality postgraduate education.
