MOU

07/09/2023 / Muhamad Fairus Kamaruzaman

SHAH ALAM, 6th September 2023 – On September 5th, 2023, a historic moment unfolded as Universiti Teknologi MARA (UiTM), represented by its esteemed Vice Chancellor, Professor Datuk Dr. Hajah Roziah Mohd Janor and Universitas Cordova (UNDOVA) of Indonesia formalized a significant academic partnership by signing a Memorandum of Understanding (MoU). The distinguished ceremony took place at the iconic Canseleri Tuanku Syed Sirajuddin Building.

The UNDOVA delegation, led by Vice Rector IV (Research and Innovation) Maslia Qomar and two distinguished lecturers, Anita and Novi Dewi Sartika, exemplified UNDOVA's commitment to education, research, and innovation. UiTM, equally dedicated to this partnership, had its representative present. The MoU signing was honored in the presence of the esteemed Dean of UiTM's Institute of Postgraduate Studies (IPsIs), who played a crucial role in realizing this MoU.

This MoU signifies the successful culmination of extensive negotiations and underscores the growing importance of international collaboration in today’s dynamic academic landscape. It reflects a shared dedication between UiTM and UNDOVA to nurturing global citizens, advancing knowledge, and celebrating the rich cultural diversity that unites Malaysia and Indonesia.

As UiTM and UNDOVA embark on this collaborative journey, they envision a future marked by mutual growth, academic enrichment, and profound cultural exchange. This partnership underscores their commitment to making a positive impact, not only within their respective communities but also on a broader global scale, aligning with SDGs such as Quality Education (SDG 4), Reduced Inequality (SDG 10), and Partnerships for the Goals (SDG 17). Together, they are poised to shape a brighter, more interconnected future for education and research, transcending borders and inspiring generations of scholars and students to contribute to sustainable development and global progress.
