BANDAR JENGA, 17 January 2025 – Academy of language Studies, UiTM Pahang Campuses hosted the highly anticipated EET Workshop (Phase 1) today at Al-Biruni 2, drawing a crowd of 220 eager EET699 candidates. Held from 3:00 PM to 5:00 PM, this face-to-face session provided students with invaluable insights and strategies for tackling the Speaking and Writing components of the upcoming exam. With expert guidance from Cik Norzie Diana Baharum, who covered the Speaking section, and PM Dr. Kamisah Ariffin, who led the Writing segment, the two-hour workshop offered a

comprehensive approach to mastering the exam.

The session's primary aim was to equip students with essential techniques for answering both the Speaking and Writing parts of the EET699 exam, contributing to the fulfilment of Sustainable Development Goal (SDG) 4—ensuring quality education and fostering lifelong learning opportunities for all. Students were expected to walk away with a deeper understanding of the exam format, along with practical strategies for answering questions with confidence and precision.

Feedback from the participants was overwhelmingly positive, with many noting that the workshop provided them with much-needed clarity on the exam structure and the most effective answering techniques. With these newfound skills, students are now well-prepared to tackle the challenges of the EET699 Speaking and Writing tests and aim for high scores.
