The Faculty of Pharmacy proudly presents the *Camp Of Administering Committee And Programme Handling* (COACH) X RxProtokol 2026. The programme aimed to strengthen students' competencies in handling official documentation, managing events effectively, and fostering a collaborative and responsible work culture. Through a combination of interactive activities and expert-led sessions, this programme provided a structured platform for participants to gain both theoretical knowledge and practical experience.

ACTIVITIES

The programme began with ice-breaking and group activities such as Spot The Lie!, Grip & Stack Challenge!, and Sell It... Differently!, which promoted teamwork, communication, and creativity. Participants worked collaboratively in groups and earned marks through their performance, with the top groups receiving special prizes. This was followed by a COACH Module session entitled Briefing and Practical Application, during which participants were introduced to systematic event management, with emphasis on proper management protocols and ethics.

On the second day, the programme continued at DK500 with another opening session before proceeding to a series of insightful talk delivered by Miss Nordiana Ibrahim from Institut Kepimpinan Pelajar (IKP), focusing on organisational development strategies and leadership. The session highlighted key aspects of committee structures, leadership roles, and effective management approaches, enabling participants to develop a deeper understanding of organisational governance.

SKILLS DEVELOPMENT

Next, Slot 4 was conducted by former Majlis Perwakilan Pelajar Fakulti Farmasi 2024/2025 representatives, Azim Fikri and Aqeela, who shared practical insights into event management and protocol, with emphasis on professionalism and ethical practices. Following this, Slot 5, delivered by Mdm Noralisa, focused on official document writing and professional image development. Participants were guided on preparing formal documents such as letters, memoranda, and professional emails, while also learning about communication skills, ethics, and professional appearance. The programme concluded with a closing speech by Assoc. Prof. Dr. Khuriah Binti Abdul Hamid.

Overall, *Camp Of Administering Committee And Programme Handling (COACH) X RxProtokol 2026* successfully equipped students with essential leadership, organisational, and professional skills, preparing them to manage programmes effectively and contribute meaningfully to future initiatives.
