SHAH ALAM**

- Meet Our **Experts in Various Master's and PhD Programmes**
- **FREE PIN NUMBER** will be given to the **first 300** visitors. (terms and conditions apply)

Unleashing Potentials
Shaping the Future

SHAH ALAM, 25 January 2025 – The Postgraduate For You (PG4U) 2025 program, organized by the Institute of Postgraduate Studies (IPSiS), UiTM, successfully drew nearly 200 visitors to the SACC Convention Centre, showcasing the university's comprehensive postgraduate offerings.

Twenty-four UiTM faculties and academic centres, including campuses from Perak and Pulau Pinang, participated in the event. Representatives from the Employees Provident Fund (EPF) and National Higher Education Fund Corporation (PTPTN) were also present to address study financing queries.

A key highlight of the program was the free registration PIN, which enabled immediate application for the March 2025 intake. The event recorded 160 applications for Master's and Doctoral (PhD) programs, demonstrating strong interest among graduates.

For the first time, a Best Booth Competition was introduced, recognizing creativity in information delivery. Winners included:

- Science & Technology Cluster: College of Computing, Informatics, and Mathematics (KPPIM)
- Social Sciences Cluster: Academy of Language Studies (APB)
- Management & Business Cluster: Faculty of Business Management (FBM)

The interactive event provided visitors direct access to admission requirements, research areas, and career prospects, reinforcing UiTM's position as a preferred higher education institution.

The Institute of Postgraduate Studies expressed commitment to building on PG4U 2025's success and looks forward to organizing similar programs to support graduate education advancement.
