1.0 EXECUTIVE SUMMARY

This report provides a detailed coverage of the industrial training carried out at Lazic Pool Sdn Bhd as part of the academic requirements at Universiti Teknologi MARA (UiTM). This traineeship has been undertaken to gain experience in the workplace.

During the internship, the trainee was also made aware of the operational activities of the company. Such activities included the involvement of the trainee in project work, documentation, or teamwork. It was, in fact, through such activities that the trainee was not only provided with hands-on experience, greater technical skills, but also necessary people skills like communication, problem-solving, and teamwork.

The training experience at Lazic Pool Sdn Bhd was also informative regarding the structure, culture, and standard operating procedures adopted by the organization. The trainee was better equipped to grasp professional requirements and ethics as a result of this training and was made aware of the significance of responsibility and discipline in meeting organizational objectives.

Overall, the industrial training program has been a significant and fruitful experience. The program has been successful in improving the professional calibre, confidence, and employability of the trainee. The knowledge and experience gained through this internship are expected to benefit the coming days of educational and professional life.

YOUR DREAM POOL, **BUILT TO PERFECTION**

3.0 ACKNOWLEDGEMENT

Alhamdulillah, all praise and appreciation to Allah S.W.T. who has granted me the strength, guidance, and perseverance to carry out my practical training at **Lazic Pool Sdn Bhd** successfully. The experience gained from this internship has been invaluable, enabling me to grow both personally and professionally.

I would like to take this opportunity to thank **Universiti Teknologi MARA (UiTM)** for providing students with the option to pursue industrial training as part of the academic requirements. This has given me the opportunity to bridge the gap between the theoretical knowledge I have acquired and the practical insights I can gain, while also deepening my understanding of the professional world.

I would like to express my sincere gratitude to **Lazic Pool Sdn Bhd** for the opportunity to serve as an intern and for the opportunity to learn in such an environment. In fact, I gained extensive experience during my training, learning new concepts and enhancing my capabilities despite the limited prior knowledge I had in this field.

I would like to extend my appreciation to my supervisors and colleagues at **Lazic Pool Sdn Bhd** for their assistance, cooperation, and support. It is a great factor that they have been open with their knowledge, which is very instrumental in allowing me to adapt nicely to the environment.

In addition, I would like to express my gratitude to my academic advisor, **Madam Siti Nurulhuda Binti Ibrahim**, whose guidance and advice have played an important role in shaping my internship. Her advice and input had been well received and had encouraged me to work at my best level.

Ultimately, I would personally like to thank my family and friends for their continuous encouragement and support that I receive as I travel on this path. Theirs has been an important motivating factor in my staying on track and completing my practical training.
