KONFERENS & SEMINAR

17/09/2020 / Zuhairi Zahara, LDO Corporate Office

The Faculty of Education, Universiti Teknologi MARA (UiTM) Cawangan Selangor, Kampus Puncak Alam, is proud to present the International Virtual Educational Invention, Innovation, and Design Competition (iVEDIIC2020). We invite professionals from all walks of life, to celebrate the culture of inventions, innovations, and designs among the academia and school community. This is in line with this year's theme, Social Sustainability through Educational Inventions, Innovations, and Designs as we showcase tangible and intangible products that will significantly infuse the community with huge significance.

iVEDIIC2020 offers four categories: invention, innovation, design and product pitching. Held every year, this is the first time that the competition is organized fully virtual. In addition to medal and certificate for gold, silver and bronze winners, impressive cash prizes will be awarded to participants who showcase high quality and impactful social sustainable products in education. The highlight is the Bank Islam Malaysia Berhad Grand Award to the best of the best product and the winner will receive MYR2,000 cash prize. Special Jury Award will be awarded to the best product for each category and the winners will take home MYR500 of cash prize.
