KONFERENS & SEMINAR

08/11/2020 / SALMIWATI OTHMAN

The 20th International Conference for University Administrators (iCUA) presents insightful ideas and solutions on what agile leadership is all about in a world that is ever changing and characterised by Volatility, Uncertainty, Complexity and Ambiguity (VUCA). Anticipating and adapting to change in culture and behaviour undeniably must begin from the top. Through presentations and discussions from industry experts in this biennial conference, current, new and potential leaders will understand the challenges and opportunities for a successful agile transformation that can ensure the sustainability of any organization.

Join us for our first time ever online international conference on the 22nd and 23rd of December 2020 as we further navigate the future towards achieving Agile Leadership. For updates, visit us at <https://icua.uitm.edu.my>

We look forward to seeing you at the conference.
