MASTERING THE FUNDAMENTALS: INTENSIVE FINAL EXAM WORKSHOP FIN242 SETS THE STAGE FOR ACADEMIC SUCCESS

Author: Norazimah Mejri

As the semester draws to a close, many students face the challenge of preparing for their final examinations. To support this crucial stage of their academic journey, the Faculty of Business and Management at UiTM Mukah organized a *Bengkel Persediaan Peperiksaan Akhir* for the Fundamentals of Finance (FIN242) course on 18 January 2026 at Dewan Kuliah Telian. The workshop was conducted by lecturers Norazimah binti Mejri and Shaffaridzuan Yakub for students from the 20254 session.

Designed to enhance students' understanding of key finance concepts, the workshop provided an opportunity for participants to revisit important topics, strengthen their problem-solving skills, and clarify areas of difficulty. Through guided discussions and practical exercises, students gained valuable insights into applying financial formulas and concepts effectively in examination settings.

Beyond academic preparation, the workshop also fostered a supportive learning environment where students could engage directly with their lecturers and address any remaining concerns. Such initiatives play an important role in boosting students' confidence and reducing exam-related anxiety, allowing them to approach their assessments with greater readiness and assurance. The programme reflects UiTM Mukah's commitment to academic excellence and student success. By providing targeted support and learning opportunities, the faculty continues to empower students with the knowledge, confidence, and analytical skills needed to excel in their studies and future careers.
