ACKNOWLEDGEMENT

Thank you to my supervisor, Ms. Zarina Zainol and Mr Shukor Abdul Rahman, for their guidance and belief that I would actually get it done. Also wonderful thanks to a wonderful thesis coordinator, Dr. Noor Habibah who has been so inspirational and very kind to share her experiences. A lot of thanks to my family for giving me moral and financial supports. A special thanks to CIIS staffs especially to Encik Radin Hazfah Mohammad, Encik Mohd Buhani Samsuri, Pn. Mardziah Abu Bakar, and Pn. Noor Hasnida Hamdan for their co-operation and support during data collection. Also a lot of thanks to Uitm staff for the time that they spend to answer my questionnaire. I will not forget their co-operation along my research investigation. To my fellow friends, thanks for sharing the worry, the fun, and everything together.

Thank You.
