ACKNOWLEDGEMENT

All my praises and gratitude to Allah, the merciful for His kindness and for meeting us with many wonderful people who, with His Grace, help us successfully finish our entire task in industrial training. With lot of love, we would like to thanks to lectures, Sir Hamjah Bin Rusli which provide us with guidance by giving us advice and guidelines in order to ensure our industrial training done properly. Other than that, we are really grateful we could manage to complete this assignment within the time given. This assignment cannot be completed without the effort and cooperation from our group member of farmers such as, Lukas, Darna, Rusli, Darmianus, Andre, Jackson, Richel, Berna, Elsiana, Sri Octaviani, Emannuel, and maintenance team leader by Walter (supervisor).

Other than that, we are very grateful to have a great supervisor such as Mr. Jonity Philip that always lead and take care of our welfare and wellbeing during industrial training, and mostly to our manager Mr Alvin that never being bored, tired and drained to repeat something in order to maintain and improve the quality of vegetables. In addition, as a UiTM student, at Diploma in Planting Industry (DPIM), we are very grateful to have the opportunity to undergo and complete our industrial training in this company where this opportunity had provide us with mountain of knowledge about organic vegetables. This company is actually owned by Datuk Robert Tan. We appreciate all of the commitment and cooperation given by all of the staffs.

Last but not least, we would like to apologize to Rantau Bakat if there was any weakness during our industrial training.

1.0 INTRODUCTION

1.1 Agency Background

Established since 1986, Pembinaan Kekal Mewah Sdn. Bhd. (87157-T) has commenced business involving infrastructure and production works. The company logo is as shown in Figure 1. Along the years, this company has ventured into housing development and building construction. In 2005, this company expanded into agricultural palm oil and hotel industries.

The company has also invested in resources that have been allocated in research and development in biochemical fields, tourism development and other fields as well as external consultant. The company has many branches and Rantau Bakat is one of the sub-companies. Rantau Bakat Sdn Bhd was established in 2013 and owned by Pembinaan Kekal Mewah Sdn.Bhd. We started our training from 21 may 2016 at Rantau Bakat Sdn.Bhd. which are specialized in organic vegetables.
