An engaging activity where pupils practised speaking confidently with proper tone and rhythm.

More than 50 primary school students, together with English teachers, gathered at Dewan Tun Jugah, SK Batu 15 Sibu for an engaging and inspiring programme titled "The Hero's Journey: Effective Ways to Master the Mic." The session, held from 2:00 PM to 4:00 PM, was delivered by invited speaker, Mdm Imelia Laura anak Daneil, an English lecturer from Universiti Teknologi MARA, Mukah Campus.

The programme aimed to build students' confidence and equip them with essential public speaking skills. Through interactive activities and practical techniques, participants were introduced to strategies on voice projection, speech structuring, and overcoming stage fright. The "hero's journey" concept encouraged students to see themselves as capable speakers who can grow through practice and courage.

The event was successfully organised with the support of the school administration. The headmaster, Mr. Roslan bin Haji Putit, together with Penolong Kanan 1, Mdm Dayang Norbaizura binti Awang Bujang, and Penolong Kanan Kokurikulum, Mr. Nordin Bin Hiri, expressed their appreciation for the meaningful programme.

The initiative was coordinated by Mdm Elizabeth anak Daniel, with strong involvement from the English Club led by Mdm Ting Ee Jeang and Mdm Wong Suk Ping.

Overall, the programme provided valuable exposure and motivation for students to develop their communication skills, leaving them more confident to take on future speaking opportunities.
