The Industrial Training opportunity we had with the Department of Agriculture, Tenom was really a wonderful experience and we had the chance to learn and develop throughout the months spent. We consider ourselves to be very lucky individuals as we were given the opportunity to be a part of it. We are also grateful as we were given the chance to meet such wonderful people and professionals who have led and guided us throughout our Industrial Training at Tenom's Department of Agriculture.

Firstly, we would like to take this opportunity to express our deepest gratitude and special thanks to Sir. Jumaat Ibrahim who is the Senior Agriculture Officer (SAO) of the Department of Agriculture, Tenom who accepted us and took time to hear and guide us through despite having many other commitments.

Hamjah Bin Rusli, Lecturer of UiTM Kota Kinabalu also Industrial Training Coordinator and Sir Hazmi Awang Damit, Lecturer of UiTM Kota Kinabalu, for taking part in useful decision and giving necessary advises and guidance and arranged all facilities to make out training easier.
