6th International Conference User Science and Engineering (i-USEr 2021)

Sustainable User Experience | 13 - 15 September 2021 (Virtual Conference)

i-USEr is a conference for Human Computer Interaction (HCI) and Malaysia's leading conference for the latest in HCI research and practice. In line with these global directions, i-USEr 2021 chose "Sustainable UX" as the theme for this conference. It looks at user experience practices through the lens of sustainability via various mediums such as smartphones, mobile apps, websites, or simply everyday technology.

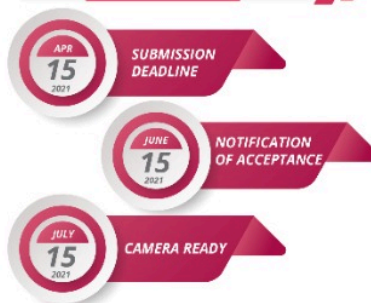

We are pleased to invite you to submit your research papers that describe original and unpublished work on the following topics. i-USEr 2021 Conference topics include, but not limited to the following:

- ✓ Design, User Experience and Usability
- ✓ HCI and IT Infrastructure
- ✓ HCI and e-Services / Industry 4.0
- ✓ Urban Science and Mobility
- ✓ Human-centered Computing
- ✓ HCI for the Underserved
- ✓ Technology and Adoption
- ✓ Social and Collaborative Technologies
- ✓ Digital Privacy and Security
- ✓ Smart Monitoring in Physical Spaces
- ✓ Emotions and Brain
- ✓ HCI and Analytics
- ✓ HCI and Domestic Technologies
- ✓ HCI and Citizen Science

All the accepted papers will be published in journals (refer i-USEr 2021 website for latest update).
