Call for Papers : ICRMBEE2021 – International Conference on Research Methodology for Built Environment and Engineering

ANNOUNCEMENT CALL FOR PAPERS KONFERENS & SEMINAR

23/06/2021 / Che Bon Ahmad & Abdul Rauf Abdul Rasam

We are pleased to invite you to submit research papers and to participate in our upcoming Virtual Conference ICRMBEE 2021. The conference will provide an excellent platform for knowledge exchange and promoting innovation between researchers, academicians, industry practitioners and students in the area of Built Environment and Engineering.

The Faculty of Architecture, Planning and Surveying, Universiti Teknologi MARA (FSPU-UiTM), Shah Alam, Malaysia and the School of Business and Management, Institut Teknologi Bandung (SBM-ITB), Indonesia will be organizing the 5th International Conference on Research Methodology for Built Environment and Engineering 2021 (ICRMBEE 2021) on 10th November 2021. The theme for the conference is 'Synergizing Creativity and Innovation Towards Sustainable Built Environment and Engineering Research'. It will be an online virtual conference brought to you from FSPU-UiTM, Shah Alam. This is the fifth series of the first conference in Asia that focuses mainly on the research methodology for Built Environment and Engineering.

The conference organizer is currently inviting research papers, working papers, industry initiatives, graduate students research symposiums or presentation proposals with relevance to built environment and engineering issues.
