ANNOUNCEMENT CALL FOR PAPERS KONFERENS & SEMINAR

01/07/2021 / Unit Komunikasi Korporat UiTM Johor

For the past 10 years, UiTM Cawangan Johor has hosted Invention, Innovation and Design Competitions (IID) from national to international levels. In 2018, we successfully organised the 1st Digitalised IID Competition in Malaysia. Followed by the 2nd DIIID in 2019 and the 3rd DIIID in 2020. This year, UiTM Johor maintains its pre-eminence because of the encouraging acceptance of the prior episodes.

We are pleased to announce that the 4th Digitalised International Invention, Innovation, and Design Johor 2021 (DIIID JOHOR 2021) has begun from 20 February 2021 until 20 July 2021. There are 3 weeks left for you to register and participate in the competition!

Everyone is invited to participate in DIIID Johor 2021 to share and exchange ideas to promote the culture of research and innovation.

1. All submitted abstracts will be published with e-ISBN
2. High-quality full paper for eligible and interested participants
(the authors have to expand manuscripts as per requirements of the journal publications)
will be published in Malaysian Journal of Industrial Technology (MJIT)
and Malaysian Journal of Chemical Engineering and Technology (MJCET) free of charge.

For more information, visit our website at:
