ACKNOWLEDGEMENT

First of all, we are grateful to Allah S.W.T. as we are able to produce this business plan. We have encountered a variety of obstacles and difficulties in preparing this proposal. We have managed to complete this proposal on time by having full cooperation from all of the group members. Special thanks to our families and colleagues who gave us support in every single minute.

We would also like to thank our beloved lecturer, Mr. Cyril Supain for guiding and supporting us in completing our business plan. His ideas, general knowledge and corrections have given us the courage and strengths in making this business proposal into reality.

By implementing our mind as an entrepreneur, we can see the opportunity in proposing this business in the future. With the knowledge that we have learned, we strongly believe that this business can go further in the future. We hope that by doing this business plan, we are able to understand more on how does a business work and we are looking forward to make this business becomes reality.

Last but not least, we as a team are very determined to make this business come true if there is no barrier as part of learning process to become an entrepreneur.
