Enhancing Program Quality

5-6 November 2024

School of Electrical Engineering received an external examiner visit by Prof. Ir. Dr. Ahmad Ashrif A Bakar for the Bachelor of Electronics Engineering with Honors program (EE241/CEEE241/CEEE222) with the main purpose of getting feedback to improve the quality of teaching and learning for the related program.

Robotech Wizard: UiTM Students Empower Young Minds in STEM Outreach

11 November 2024

School of Electrical Engineering students from CEEE241M7A and CEEE241T7A led ROBOTECH WIZARD ACADEMIA at SK Sungai Kantan through the SULAM program. Under Ir. Dr. Maizatul Zolkapli, 18 student facilitators guided 50 primary students in robotics and coding using the EDU: BIT kit and TINY: BIT Robot Car.

Students explored sensors, LEDs, and robot navigation, blending theory with hands-on practice. The outreach aimed to ignite interest in STEM while enhancing PKE students' leadership and teaching abilities. Supported by IEEE EDS and IEEE EMBS, the program underscored the value of interactive STEM education and strengthened ties between academia and the community.
