ACKNOWLEDGEMENT

As a student of Diploma in Planting Industry and management at University of Teknologi Mara (UiTM), I express my greatest gratitude to almighty Allah SWT for giving me the opportunity to complete my Industrial Training II (FPA310) successfully at TH Plantation Berhad (Tanjung Lilin estate) for 6 weeks.

Next, I want to thank UiTM for providing the industrial training for the agriculture student to gain real life experience as a worker. The chance of having the industrial training at Tabung Haji Plantation really bring great benefit in expanding my knowledge in agriculture field.

Finally, the experience and guidance of the staff at Tanjung Lilinn estate under Tabung Haji Plantation cannot be forgotten as their help me in every aspect to learn about things to do in the plantation without complaining about my deficiency
