AKNOWLEDGEMENT

I would like to our campus, Universiti Teknologi Mara Kampus Mukah 2 for giving me this opportunity to have industrial practical at Kabuloh Agriculture Research Station (Stesen Penyelidikan Pertanian Kabuloh). I am very glad had spent three months at Kabuloh Agriculture Research Station and able to learn and gaining new experience in direct or indirect way.

Next I would to thank Kabuloh Agriculture Researh Station for letting me to have indusrial practical here. Also I would like to thank OIC (Officer-In-Charge) Hajah Rosmah Haji Jaffar for her guidance and support for all the time I had spent in three months at Kabuloh Agriculture Research Station. Thanks a lot for teaching me a lot of things that I was unaware before about agriculture in direct way or indirect way. Besides that, I would like to thank RO (Research Officer) John Jadol and RO Patricia Rachel for their assist and guidance during my industrial practical, without their help I would not able to finish my industrial practical well done.

I am also deeply indebted to the supervisor, PT Lilianita, AA Muriani Harry, AAO Razaman Ibrahim, SAA Yusli Sawal, AA Sandra Faradilla, AA Desmond Rangub and SAA Agam Giang for cooperation in providing materials and information to me to complete this report. I learn a lot of experience during that time. Also, I would like to thank to all staff in the section for assist in giving me a valuable information and suggestion for me to complete this training report.

I would like to express my appreciation and thanks to Diploma in Planting Industry Management, Mr. Muhamad Syukrie Bin Abu Talip for giving me advices, guidelines and information during the process of completing this report. I would also like to thank to those whose have helped me to complete this report directly or indirectly.

Sincerely, thank you once again. It is must appreciated.

KABULOH AGRICULTURE RESEARCH STATION

Kabuloh Agriculture Research Station was incorporated on 1964. Kabuloh Agriculture Research Station has many sections, including fruits section, rubber section, herbs section, fields crop section, mixed crop section, and planting material section.

That also have a major role:

i. Research,
ii. Technology transfer ,
iii. Advisory services to farmers ,
iv. Provide training for training staff. About diseases or pest control , increased yield , and crop information .

VISION

Spearheading commercialization of agriculture and transformation of agriculture community to achieve high income

MISSION

We commercialise and modernize agriculture to improve income of the agriculture community.
