# BENCHMARKING

## *Benchmarking Visit from UMPSA*

**9 July 2025**

FKE received a benchmarking visit from the Faculty of Electrical and Electronic Engineering Technology, Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA).

The session, held from 9:30 AM to 1:00 PM at Bilik Mesyuarat As-Syafie, Level 7, Menara 2, focused on sharing best practices for the Bachelor of Electrical and Electronic Technology Engineering with Honours (CEEE260) program.

## *Benchmarking Visit from Kolej Vokasional Klang*

**13 August 2025**

FKE welcomed a delegation from Kolej Vokasional Klang for a benchmarking visit. The visit provided a valuable platform for knowledge sharing and academic exchange, focusing on best practices in teaching, learning, and program development. It also served to strengthen collaboration between FKE and vocational education institutions, supporting the collective goal of nurturing future-ready graduates.
