FKE GOING GLOBAL

Building Resilient and Inclusive Development through Global Education (BRIDGE) International Webinar Series

28 November 2025

The BRIDGE International Webinar Series concluded with sessions on Electric Vehicle Technology (EVT) and Biogas Technology, delivered by distinguished faculty from FKE and Cavite State University. The day featured Module 2: Electric Vehicle Technology System by Ts. Dr. Ezmin Abdullah (FKE) from 9:00–11:00 AM and Module 4 – Maintenance of EVT by Assoc. Prof. Dr. Muhamad Nabil Hidayat (FKE) from 2:45–4:30 PM. The sessions provided participants with valuable insights into system design, safety, maintenance, operations, and sustainability-driven innovations, successfully wrapping up this year's global collaboration initiative.
