ELECTRO MATTERS

Oct-Dec 2025

Faculty of Electrical Engineering, UiTM Shah Alam

FKE: Fostering Electropreneurial Leaders

ACHIEVEMENT

IPC Certified Interconnect Designer (CID) certification

24 October 2025

Congratulations to the FKE Academic Team on successfully obtaining the Omada Certified Network Associate (OCNA) Certification by TP-Link. This achievement reflects the team's strong commitment to staying current with industry-relevant network technologies and continuously strengthening teaching and technical expertise.

IPC Certified Interconnect Designer (CID) certification

17 November 2025

13 FKE academicians have successfully achieved the IPC Certified Interconnect Designer (CID) certification, demonstrating their dedication, continuous learning, and commitment to excellence in PCB design and adherence to industry-standard practices. This accomplishment highlights the faculty's efforts to maintain high professional standards and advance expertise in electrical engineering education and research.
