The 19th MyPSA National Pharmacy Sports Carnival (NPSC) 2026 was held from 25 to 27 September 2026 at the International Islamic University Malaysia (IIUM), Kuantan, Pahang. Organised by the Persatuan Mahasiswa Fakulti Farmasi (PMFFar) in collaboration with the Malaysian Pharmacy Students' Association (MyPSA), this sports carnival brought together pharmacy students from various institutions across Malaysia for a meaningful celebration of sportsmanship, camaraderie and healthy competition.

				TOTAL	RANK
IIUM	13	11	9	33	1
UM	10	10	5	25	2
UoC	8	13	5	26	3
USM	8	3	3	14	4
UniSZA	5	2	5	12	5
UKM	4	5	5	14	6
UniKL	2	3	8	13	7
UiTM	2	2	5	9	8
Taylor's	2	2	5	9	8
KPJU	1	0	3	4	10
UCSI	0	3	2	5	11
MSU	0	1	0	1	12

Universiti Teknologi MARA (UiTM) displayed excellent sportsmanship throughout the competition. UiTM won two gold, two silver, and five bronze medals, securing 8th place overall. This achievement reflects the dedication, determination, and commitment of the participating students in representing the university across various sports categories.

NPSC 2026 featured a diverse range of sports activities designed to accommodate participants with different skills and interests including track events, field events and tug of war as well as indoor sports and team sports such as badminton, petanque, futsal, volleyball, netball, basketball and table tennis, alongside e-sports including Mobile Legends, PUBG and e-Football. Modern and mixed sports such as squash, frisbee, swimming and sepak takraw, as well as board games such as Scrabble and chess were also held.

Beyond its competitiveness, NPSC 2026 served as a valuable platform for pharmacy students to strengthen interpersonal relationships, develop teamwork skills, and cultivate a spirit of healthy competition. NPSC 2026 also encouraged students to recognise their potential, develop confidence, and demonstrate leadership beyond academic environments.

Ultimately, the 19th MyPSA NPSC 2026 was more than a sports competition. It was a platform that united pharmacy students through shared experiences, strengthened their bonds, and highlighted the importance of holistic student development.

The success of the carnival serves as a reminder that excellence in pharmacy extends beyond academics, encompassing teamwork, leadership, well-being, and meaningful engagement with the wider community.
