ACKNOWLEDGEMENT

Firstly, I would like to thanked to the campus for giving this opportunity to me for letting me to have industrial training at Stesen Pertanian Kabuloh. It was a great chance for learning and professional development. It was a big experienced for me. Thanks for helping me to had an industrial training at this place. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be part of it. I am very glad that I have spent about three months at Stesen Pertanian Kabuloh. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period. During that time, I learned a lot and also gaining new experienced and learn to live in new environment.

Next, I would like to thanked to Stesen Pertanian Kabuloh for letting me to have industrial training here. A lot of thanks to OIC Hajah Rosmah Hj Jaffar, for his guidance and support during industrial time. Thanks for spend a lot of time to teach me about theory and also practically about the knowledge of every section. Besides that, I would like to thank to RO John Jadol for his assist and guidance during practical time, without his help, it would be hard for me to finish my training well done.

I am also deeply indebted to the supervisor, PT Lilianita, AA Muriani Harry, AOA Razaman, SAA Yusli Syawal, AA Sandra Faradilla, AA Desmond Rangub and SAA Agam Giang for cooperation in providing materials and information for me to complete this report. I learned a lot of experience during that time. Also, I would like to thank to all staff in the section for assist in giving me a valuable information and suggestion for me to complete this training report.

I would like to express my appreciation and thanks to Diploma in Planting Industry Management, Mr. Muhamad Syukrie Bin Abu Talip for giving me advices, guidelines and information during the process of completing this report. I would also like to thanked to those whose have helped me to complete this report directly or indirectly.

Sincerely, thank you once again. It is must appreciated.
