ACKNOWLEDGEMENT

Firstly, I would like to thank to the campus for giving this opportunity to me for letting me to have practical training at Stesen Penyelidikan Pertanian Kabuloh. It is really a big experience for me. Thanks for helping me to apply to have a practical training at this place. I am very glad that I have spent about three months at Stesen Penyelidikan Pertanian Kabuloh. During that time, I learn a lot and also gaining new experience and learn to live in new environment.

Next, I would like to thank to Stesen Penyelidikan Pertanian Kabuloh for letting me to have practical training here. A lot of thanks to OIC Hajah Rosmah Hj Jaffar, for his guidance and support during practical time. Thanks for spend a lot of time to teach me about theory and also practically about the knowledge of every section. Besides that, I would like to thank to RO John Jadol for his assist and guidance during practical time, without his help, it would be hard for me to finish my training well done.

I am also deeply indebted to the supervisor, PT Lilianita, AA Muriani Harry, AAO Razaman Ibrahim, SAA Yusli Sawal, AA Sandra Faradilla , AA Desmond Rangub and SAA Agam Giang for cooperation in providing materials and information to me to complete this report. I learn a lot of experience during that time. Also, I would like to thank to all staff in the section for assist in giving me a valuable information and suggestion for me to complete this training report.

I would like to express my appreciation and thanks to Diploma in Planting Industry Management, Mr. Muhamad Syukrie Bin Abu Talip for giving me advices, guidelines and information during the process of completing this report. I would also like to thank to those whose have helped me to complete this report directly or indirectly.

Sincerely, thank you once again. It is must appreciated.

STESEN PERTANIAN KABULOH BACKGROUND

Stesen Penyelidikan Pertanian Kabuloh was incorporated on 1964. The Stesen Penyelidikan Pertanian Kabuloh has many sections, including fruits section, rubber section, herbs section, field crop section, mixed crop section, and planting material section.

That also have a major role:

i. Research,
ii. Technology transfer ,
iii. Advisory services to farmers ,
iv. Provide training for training staff. About diseases or pest controls , increased yield , and crop information .

VISION

Spearheading commercialization of agriculture and transformation of agriculture community to achieve high income

MISSION

We commercialise and modernize agriculture to improve income of the agriculture community.
