Rector's Remark

Professor Dr. Firdaus Abdullah
Rector
UiTM Sarawak Branch

Warm greetings to all our readers,

As we turn the page to this new issue, I am pleased to welcome you not only to another chapter of our university's story, but also to a refreshed identity for our campus bulletin. What you now hold in your hands is Varsity Edge, a reimagined platform that serves as a meaningful evolution, yet continues the spirit of Infokampus (its former name). This bulletin offers a fresher, more grounded lens through which we view UiTM Cawangan Sarawak.

In the previous issue, we reflected deeply on resilience, partnerships, and transformation lessons shaped by the pandemic years and guided by our aspirations towards 2030. This issue continues that journey. However, it does so with a renewed voice, one that speaks closer to the heart of UiTM Cawangan Sarawak and the campus community.

The decision to rebrand Infokampus was not taken lightly. For many years, Infokampus faithfully chronicled our milestones, achievements, and aspirations as a university. It served as an official and trusted platform documenting our institutional growth. Yet, as UiTM Cawangan Sarawak continues to evolve, so too must the way we tell our story.

Varsity Edge reflects a more personal, authentic, and inclusive narrative. It represents a renewed way of seeing, thinking, and engaging that goes beyond merely reporting achievements to sharing perspectives, from institutional announcements to human stories, and from top-down communication to a shared conversation. This new name embodies our identity that is grounded, inclusive, and community-oriented. It reminds us that UiTM Sarawak is not an isolated institution, but one that grows with and within its community. Through this lens, every lecturer, student, staff member, alumnus, and partner becomes part of the narrative.

While the name has changed, our values and direction remain firmly anchored. As highlighted in the previous issue, UiTM Sarawak continues to align itself with the national agenda under the Post-COVID Development Strategy 2030, as well as the global aspirations of the United Nations Sustainable Development Goals (SDGs). We remain steadfast in our mission to prepare graduates who are not only academically competent but also resilient, ethical, and socially responsible. The post-pandemic era has taught us that adaptability, collaboration, and empathy are no longer optional; they are essential attributes for future leaders.

Our efforts to strengthen teaching and learning, enhance digital capabilities, and expand industry and community partnerships continue to gain momentum. These initiatives are not standalone efforts; they are interconnected strategies designed to ensure that UiTM Sarawak remains relevant, competitive, and impactful in a rapidly changing world. In pursuing this, partnerships remain central to our growth. In line with SDG 17, UiTM Sarawak continues to foster strong collaborations with the Sarawak Government,

industries, community organisations, and international institutions. These partnerships have enabled us to contribute meaningfully to areas such as digital economy development, smart agriculture, community empowerment, and talent cultivation. More importantly, they have created pathways for our students and staff to engage beyond the classroom in applying knowledge, transferring skills, and co-creating solutions with real impact.

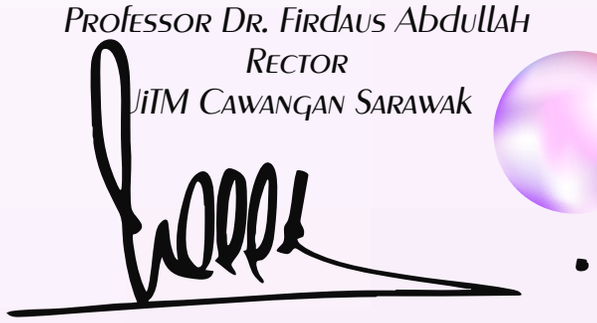

This new platform also reflects our belief that a university's strength lies in its people. Behind every award, accreditation, or recognition are individuals who work quietly and consistently to make excellence possible. Our academic staff continue to demonstrate dedication in teaching, research, and innovation. Our professional and support staff ensure that operations run smoothly, often behind the scenes. Our students bring energy, creativity, and purpose, thus challenging us to remain responsive and forward-looking. Our alumni and partners extend our impact beyond campus boundaries, carrying the UiTM Sarawak name with pride. Indeed, Varsity Edge provides space for these voices to be heard. It is a platform where achievements are celebrated, challenges are acknowledged, and lessons are shared openly.

As we step into 2026, we will further strengthen our strategic direction through ten new initiatives highlighted in the "Amant Rektor 2026" that will guide our collective efforts. We will intensify our commitment towards building a Green and Sustainable Campus while ensuring the mental health and overall well-being of our community remain a priority. We will develop a comprehensive social entrepreneurship ecosystem to empower innovation with impact, and continue to elevate excellence in sports, arts, and culture as part of holistic education. At the same time, we aim to expand international faculty engagement and nurture academic personalities who serve as media icons and thought leaders, strengthening our global visibility and distinction. Also, investments in sustainable infrastructure will support resilient and technology-integrated learning environments, alongside the establishment and reinforcement of Centres of Excellence focusing on future skills and strategic niche areas. Above all, we will continue embedding the principles of the Sustainable Development Goals (SDG), Education for Sustainable Development (ESD), and Environmental, Social and Governance (ESG) practices into our governance, curriculum, and operations to ensure that UiTM Sarawak grows responsibly and purposefully.

As UiTM Sarawak moves forward, Varsity Edge will serve as a mirror that reflects who we are, and a window that looks outward to who we aspire to become. The years ahead will continue to challenge us, but they will also offer opportunities for innovation, collaboration, and growth. With a clear strategic direction, strong partnerships, and a committed community, I am confident that UiTM Sarawak will continue to thrive as a university that is globally aware, locally rooted, and people-centred. Together, let us continue to move forward with purpose, guided by values, strengthened by partnerships, and inspired by the communities we serve.

Thank you and may our journey ahead be one of continued growth, unity, and positive impact.

warm regards,
Professor Dr. Firdaus Abdullah

Message from Editor-in-Chief

Assalamualaikum warahmatullahi wabarakatuh and greetings.

Praise be to Allah SWT, by whose grace and mercy the official bulletin of UiTM Sarawak Branch is successfully published. The release of this edition marks a significant new chapter in the university's communication and information-sharing landscape with the rebranding of the bulletin from Info Kampus to Varsity Edge UiTM Sarawak Bulletin.

This rebranding represents more than a change in name and appearance; it reflects a renewed aspiration that is fresher, more dynamic, and inclusive. Varsity Edge is envisioned as a progressive platform to highlight academic achievements, research, innovation, student activities, as well as the contributions of the UiTM Sarawak Branch community to society and the nation. This initiative is also aligned with the university's aspiration to strengthen its institutional image as a centre of academic excellence that remains relevant to contemporary needs.

As the Editor-in-Chief, I would like to extend my deepest appreciation and gratitude to the entire editorial team, contributors, and the UiTM Sarawak Branch community for their continuous support in making this publication a reality. It is our hope that Varsity Edge will serve as an effective communication medium, a source of inspiration, and a meaningful platform for knowledge sharing for all readers.

In closing, we sincerely hope that this bulletin will continue to remain relevant and gain a special place in the hearts of the university community and the public at large.

Thank you.

UiTM SARAWAK AND SARAWAK MINISTRY FORGE STRATEGIC TIES FOR SUSTAINABLE DEVELOPMENT

Source: UiTM Sarawak Rector's Facebook Page

A high-level delegation from UiTM Sarawak, led by the Rector, recently paid a courtesy call to YB Datuk Haji Len Talif Salleh, the Deputy Minister of Urban Planning, Land Administration and Environment of Sarawak. The university leadership team, which comprised the Deputy Rectors, Associate Professor ChM. Ts. Dr. Mohamad Isa Mohamadin, Associate Professor Dr. Saimi Bujang, Professor Ir. Dr. Juferi Idris, and Assistant Rector Associate Professor Dr. Abdul Razak Abdul Kadir, engaged in productive dialogue regarding the alignment of academic expertise with state development goals. The visit underscored a shared commitment to enhancing human capital, expanding industry networks, and driving socio-economic progress within the state.

During the session, the university unveiled plans for World Clean Up Day, a high-impact programme set to involve the entire UiTM system, the Kuching South City Council, and various NGOs in a massive environmental conservation effort. Furthermore, UiTM Sarawak formally offered its technical and academic resources to assist the Ministry in its developmental mandates, specifically within the N.41 Kuala Rajang constituency. This offer reflects the university's proactive stance in utilising its research capabilities to support the Sarawak government's vision for a resilient and progressive state.

The meeting concluded with a gracious invitation from the Deputy Minister for the UiTM Sarawak community to visit Kuala Rajang to collaborate on on-ground sustainable development initiatives. This invitation marks a significant milestone in the university-industry partnership, bridging the gap between policy-making and academic application. By combining local leadership insights with the university's intellectual resources, this collaboration promises to give positive impacts for community well-being and the future of Sarawak's youth.

DRIVING SUSTAINABLE GROWTH THROUGH ACADEMIA–INDUSTRY COLLABORATION

Alhamdulillah. On 17 September 2025, I had the great honour of attending the Memorandum of Understanding (MoU) Exchange Ceremony and the Launch of the Research and Industry Network (PJI) Directory at the PTAR Samarahan Campus. The event was particularly significant for UiTM as it was graced by the presence of YBhg. Prof. Emeritus Dato' Dr. Hassan Said, Pro-Chancellor of UiTM, together with Cik Junita Jamaludin, the Bursar of UiTM.

This meaningful initiative by UiTMCS marks an important step in fostering stronger collaborations between academia and industry. The establishment of centres of excellence in research, training, and innovation within the campus reflects UiTM's vision of building a vibrant Industrial Campus Ecosystem.

We witnessed the exchange of three significant MoUs between UiTM Sarawak and:

- Sarawak Timber Industry Development Corporation (STIDC)
- SPL Food Industries Sdn. Bhd.
- Natpro Biotech Sdn. Bhd.

These collaborations will focus on sustainability, biotechnology, and innovation rooted in our local food heritage—key areas that will undoubtedly benefit students, researchers, and industry players alike.

The launch of the Research and Industry Network (PJI) Directory, alongside the upcoming ICAN, Research & Publication, and Innovation & IP Directories, will serve as platforms to showcase UiTMCS's outstanding achievements in research, innovation, and publications, which have earned recognition at both national and international levels.

I am confident that this initiative will further strengthen Sarawak's position as a hub of sustainable growth and innovation, in line with UiTM2030's aspiration to emerge as a globally renowned university.

Congratulations to UiTMCS on this visionary initiative!
