Rector's Remark

Professor Dr. Firdaus Abdullah
Rector
UiTM Sarawak Branch

Warm greetings to all our readers,

As we turn the page to this new issue, I am pleased to welcome you not only to another chapter of our university's story, but also to a refreshed identity for our campus bulletin. What you now hold in your hands is Varsity Edge, a reimagined platform that serves as a meaningful evolution, yet continues the spirit of Infokampus (its former name). This bulletin offers a fresher, more grounded lens through which we view UiTM Cawangan Sarawak.

In the previous issue, we reflected deeply on resilience, partnerships, and transformation lessons shaped by the pandemic years and guided by our aspirations towards 2030. This issue continues that journey. However, it does so with a renewed voice, one that speaks closer to the heart of UiTM Cawangan Sarawak and the campus community.

The decision to rebrand Infokampus was not taken lightly. For many years, Infokampus faithfully chronicled our milestones, achievements, and aspirations as a university. It served as an official and trusted platform documenting our institutional growth. Yet, as UiTM Cawangan Sarawak continues to evolve, so too must the way we tell our story.

Varsity Edge reflects a more personal, authentic, and inclusive narrative. It represents a renewed way of seeing, thinking, and engaging that goes beyond merely reporting achievements to sharing perspectives, from institutional announcements to human stories, and from top-down communication to a shared conversation. This new name embodies our identity that is grounded, inclusive, and community-oriented. It reminds us that UiTM Sarawak is not an isolated institution, but one that grows with and within its community. Through this lens, every lecturer, student, staff member, alumnus, and partner becomes part of the narrative.

While the name has changed, our values and direction remain firmly anchored. As highlighted in the previous issue, UiTM Sarawak continues to align itself with the national agenda under the Post-COVID Development Strategy 2030, as well as the global aspirations of the United Nations Sustainable Development Goals (SDGs). We remain steadfast in our mission to prepare graduates who are not only academically competent but also resilient, ethical, and socially responsible. The post-pandemic era has taught us that adaptability, collaboration, and empathy are no longer optional; they are essential attributes for future leaders.

Our efforts to strengthen teaching and learning, enhance digital capabilities, and expand industry and community partnerships continue to gain momentum. These initiatives are not standalone efforts; they are interconnected strategies designed to ensure that UiTM Sarawak remains relevant, competitive, and impactful in a rapidly changing world. In pursuing this, partnerships remain central to our growth. In line with SDG 17, UiTM Sarawak continues to foster strong collaborations with the Sarawak Government,

industries, community organisations, and international institutions. These partnerships have enabled us to contribute meaningfully to areas such as digital economy development, smart agriculture, community empowerment, and talent cultivation. More importantly, they have created pathways for our students and staff to engage beyond the classroom in applying knowledge, transferring skills, and co-creating solutions with real impact.

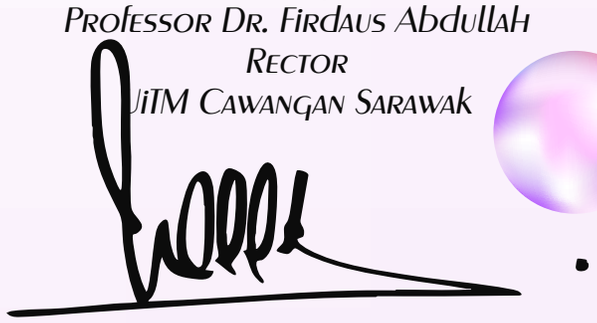

This new platform also reflects our belief that a university's strength lies in its people. Behind every award, accreditation, or recognition are individuals who work quietly and consistently to make excellence possible. Our academic staff continue to demonstrate dedication in teaching, research, and innovation. Our professional and support staff ensure that operations run smoothly, often behind the scenes. Our students bring energy, creativity, and purpose, thus challenging us to remain responsive and forward-looking. Our alumni and partners extend our impact beyond campus boundaries, carrying the UiTM Sarawak name with pride. Indeed, Varsity Edge provides space for these voices to be heard. It is a platform where achievements are celebrated, challenges are acknowledged, and lessons are shared openly.

As we step into 2026, we will further strengthen our strategic direction through ten new initiatives highlighted in the "Amant Rektor 2026" that will guide our collective efforts. We will intensify our commitment towards building a Green and Sustainable Campus while ensuring the mental health and overall well-being of our community remain a priority. We will develop a comprehensive social entrepreneurship ecosystem to empower innovation with impact, and continue to elevate excellence in sports, arts, and culture as part of holistic education. At the same time, we aim to expand international faculty engagement and nurture academic personalities who serve as media icons and thought leaders, strengthening our global visibility and distinction. Also, investments in sustainable infrastructure will support resilient and technology-integrated learning environments, alongside the establishment and reinforcement of Centres of Excellence focusing on future skills and strategic niche areas. Above all, we will continue embedding the principles of the Sustainable Development Goals (SDG), Education for Sustainable Development (ESD), and Environmental, Social and Governance (ESG) practices into our governance, curriculum, and operations to ensure that UiTM Sarawak grows responsibly and purposefully.

As UiTM Sarawak moves forward, Varsity Edge will serve as a mirror that reflects who we are, and a window that looks outward to who we aspire to become. The years ahead will continue to challenge us, but they will also offer opportunities for innovation, collaboration, and growth. With a clear strategic direction, strong partnerships, and a committed community, I am confident that UiTM Sarawak will continue to thrive as a university that is globally aware, locally rooted, and people-centred. Together, let us continue to move forward with purpose, guided by values, strengthened by partnerships, and inspired by the communities we serve.

Thank you and may our journey ahead be one of continued growth, unity, and positive impact.

warm regards,
Professor Dr. Firdaus Abdullah

Message from Editor-in-Chief

Assalamualaikum warahmatullahi wabarakatuh and greetings.

Praise be to Allah SWT, by whose grace and mercy the official bulletin of UiTM Sarawak Branch is successfully published. The release of this edition marks a significant new chapter in the university's communication and information-sharing landscape with the rebranding of the bulletin from Info Kampus to Varsity Edge UiTM Sarawak Bulletin.

This rebranding represents more than a change in name and appearance; it reflects a renewed aspiration that is fresher, more dynamic, and inclusive. Varsity Edge is envisioned as a progressive platform to highlight academic achievements, research, innovation, student activities, as well as the contributions of the UiTM Sarawak Branch community to society and the nation. This initiative is also aligned with the university's aspiration to strengthen its institutional image as a centre of academic excellence that remains relevant to contemporary needs.

As the Editor-in-Chief, I would like to extend my deepest appreciation and gratitude to the entire editorial team, contributors, and the UiTM Sarawak Branch community for their continuous support in making this publication a reality. It is our hope that Varsity Edge will serve as an effective communication medium, a source of inspiration, and a meaningful platform for knowledge sharing for all readers.

In closing, we sincerely hope that this bulletin will continue to remain relevant and gain a special place in the hearts of the university community and the public at large.

Thank you.

STRENGTHENING GLOBAL COLLABORATION THROUGH STRATEGIC ENGAGEMENTS IN COPENHAGEN, DENMARK

Source: UiTM Sarawak Rector's Facebook Page

Alhamdulillah. UiTM Sarawak continues to strengthen its global collaboration in educational innovation through strategic engagements in Copenhagen, Denmark, on 22 October 2025.

In the morning, I was accompanied by Professor (Distinguished) Dr. Ling Siew Eng and Associate Professor (Honorary) Dr. Margaret Chan Kit Yok for a meeting with Area9 Lyceum, the world's first multidimensional adaptive learning platform. The meeting was attended by Mr. Jan Krogh Larsen, Chief Product Officer, and Mr. Nicolaj Grønning Hansen, together with Mr. Kurt Gammelgaard Nielsen, Chairman of EdTech Denmark.

The discussion focused on potential collaboration between UiTM Sarawak and Area9 to advance adaptive and personalized learning experiences. Area9, with over two decades of expertise in the field, offers innovative tools and services that integrate science, technology, and pedagogy to enhance learning outcomes - including the development of an adaptive e-book that bridges the gap between traditional textbooks and personalized learning.

Later in the afternoon, we visited Copenhagen University to meet with a start-up company on the application of ChatTutor, an advanced AI-powered assistant for teaching and learning. The meeting concluded with an agreement to carry out joint research and development in AI-enhanced education. Also present were Mr. Kurt Gammelgaard Nielsen, Chairman of EdTech Denmark and co-founder of ChatTutor, and Mr. Marius Cortsen, CEO and co-founder of ChatTutor.

Through these international engagements, UiTM Sarawak reaffirms its commitment to fostering global partnerships that drive innovation, enhance research capacity, and transform the future of education.

SIGNING OF A MEMORANDUM OF UNDERSTANDING (MOU) WITH UQUALIO

Source: UiTM Sarawak Rector's Facebook Page

Alhamdulillah. UiTM Sarawak expand its global presence in education technology through the signing of a Memorandum of Understanding (MoU) with uQualio, a leading global EdTech company headquartered in Copenhagen, Denmark.

The MoU signing ceremony took place at uQualio's main office in Copenhagen. I had the honour of signing the MoU on behalf of UiTM Sarawak, while Ms. Hatla Færch Johnsen, Chief Executive Officer of uQualio APS, represented the company. The event was graced by the Mayor of Veksø Municipality, Ms. Vicky Knudsen, and the 1st Deputy Mayor, Ms. Charlotte Haagendrup, who also serves as Chair of the Culture, Leisure and Business Committee, as well as the Children and Youth Committee.

Also in attendance were Prof. (Distinguished) Dr. Ling Siew Eng and Assoc. Prof. (Honorary) Dr. Margaret Chan Kit Yok, both of whom are actively involved in UiTM Sarawak's ERASMUS+ initiatives, particularly the Capacity Building in Higher Education (CBHE) projects, as well as Mr. Christian Bjerre Nielsen, Chief Product Officer (CPO) and co-founder of uQualio.

This collaboration marks a transformative step forward in digital education, focusing on developing and empowering learning through AI-powered video training using uQualio's innovative microlearning platform. The all-in-one AI-driven system transforms videos into interactive learning modules, enhanced with autogenerated subtitles, engaging quizzes for improved retention, and multi-level certification via micro-credentials. As a key outcome of the UiTM Sarawak Erasmus Project, this initiative involved a partnership with the European Union to develop portable video conferencing toolkits and complementary online applications. These resources are dedicated to fostering the design of an engaging learning experience for higher education classrooms.

Beyond advancing digital learning technologies, the MoU also opens pathways for student and staff mobility, professional attachments, and internship opportunities with one of the world's most dynamic EdTech innovators. It additionally paves the way for future international research collaborations on AI learning platforms, including potential partnerships under Erasmus grant initiatives.

This strategic partnership stands as a remarkable milestone for UiTM Sarawak - reinforcing our commitment to global collaboration, driving digital innovation, and continuously enhancing the learning experience for both students and educators.
