Rector's Remark

Professor Dr. Firdaus Abdullah
Rector
UiTM Sarawak Branch

Warm greetings to all our readers,

As we turn the page to this new issue, I am pleased to welcome you not only to another chapter of our university's story, but also to a refreshed identity for our campus bulletin. What you now hold in your hands is Varsity Edge, a reimagined platform that serves as a meaningful evolution, yet continues the spirit of Infokampus (its former name). This bulletin offers a fresher, more grounded lens through which we view UiTM Cawangan Sarawak.

In the previous issue, we reflected deeply on resilience, partnerships, and transformation lessons shaped by the pandemic years and guided by our aspirations towards 2030. This issue continues that journey. However, it does so with a renewed voice, one that speaks closer to the heart of UiTM Cawangan Sarawak and the campus community.

The decision to rebrand Infokampus was not taken lightly. For many years, Infokampus faithfully chronicled our milestones, achievements, and aspirations as a university. It served as an official and trusted platform documenting our institutional growth. Yet, as UiTM Cawangan Sarawak continues to evolve, so too must the way we tell our story.

Varsity Edge reflects a more personal, authentic, and inclusive narrative. It represents a renewed way of seeing, thinking, and engaging that goes beyond merely reporting achievements to sharing perspectives, from institutional announcements to human stories, and from top-down communication to a shared conversation. This new name embodies our identity that is grounded, inclusive, and community-oriented. It reminds us that UiTM Sarawak is not an isolated institution, but one that grows with and within its community. Through this lens, every lecturer, student, staff member, alumnus, and partner becomes part of the narrative.

While the name has changed, our values and direction remain firmly anchored. As highlighted in the previous issue, UiTM Sarawak continues to align itself with the national agenda under the Post-COVID Development Strategy 2030, as well as the global aspirations of the United Nations Sustainable Development Goals (SDGs). We remain steadfast in our mission to prepare graduates who are not only academically competent but also resilient, ethical, and socially responsible. The post-pandemic era has taught us that adaptability, collaboration, and empathy are no longer optional; they are essential attributes for future leaders.

Our efforts to strengthen teaching and learning, enhance digital capabilities, and expand industry and community partnerships continue to gain momentum. These initiatives are not standalone efforts; they are interconnected strategies designed to ensure that UiTM Sarawak remains relevant, competitive, and impactful in a rapidly changing world. In pursuing this, partnerships remain central to our growth. In line with SDG 17, UiTM Sarawak continues to foster strong collaborations with the Sarawak Government,

industries, community organisations, and international institutions. These partnerships have enabled us to contribute meaningfully to areas such as digital economy development, smart agriculture, community empowerment, and talent cultivation. More importantly, they have created pathways for our students and staff to engage beyond the classroom in applying knowledge, transferring skills, and co-creating solutions with real impact.

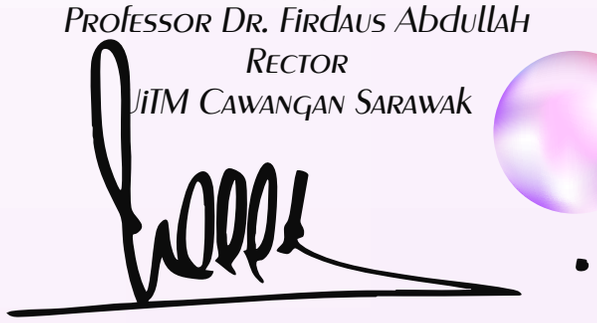

This new platform also reflects our belief that a university's strength lies in its people. Behind every award, accreditation, or recognition are individuals who work quietly and consistently to make excellence possible. Our academic staff continue to demonstrate dedication in teaching, research, and innovation. Our professional and support staff ensure that operations run smoothly, often behind the scenes. Our students bring energy, creativity, and purpose, thus challenging us to remain responsive and forward-looking. Our alumni and partners extend our impact beyond campus boundaries, carrying the UiTM Sarawak name with pride. Indeed, Varsity Edge provides space for these voices to be heard. It is a platform where achievements are celebrated, challenges are acknowledged, and lessons are shared openly.

As we step into 2026, we will further strengthen our strategic direction through ten new initiatives highlighted in the "Amant Rektor 2026" that will guide our collective efforts. We will intensify our commitment towards building a Green and Sustainable Campus while ensuring the mental health and overall well-being of our community remain a priority. We will develop a comprehensive social entrepreneurship ecosystem to empower innovation with impact, and continue to elevate excellence in sports, arts, and culture as part of holistic education. At the same time, we aim to expand international faculty engagement and nurture academic personalities who serve as media icons and thought leaders, strengthening our global visibility and distinction. Also, investments in sustainable infrastructure will support resilient and technology-integrated learning environments, alongside the establishment and reinforcement of Centres of Excellence focusing on future skills and strategic niche areas. Above all, we will continue embedding the principles of the Sustainable Development Goals (SDG), Education for Sustainable Development (ESD), and Environmental, Social and Governance (ESG) practices into our governance, curriculum, and operations to ensure that UiTM Sarawak grows responsibly and purposefully.

As UiTM Sarawak moves forward, Varsity Edge will serve as a mirror that reflects who we are, and a window that looks outward to who we aspire to become. The years ahead will continue to challenge us, but they will also offer opportunities for innovation, collaboration, and growth. With a clear strategic direction, strong partnerships, and a committed community, I am confident that UiTM Sarawak will continue to thrive as a university that is globally aware, locally rooted, and people-centred. Together, let us continue to move forward with purpose, guided by values, strengthened by partnerships, and inspired by the communities we serve.

Thank you and may our journey ahead be one of continued growth, unity, and positive impact.

warm regards,
Professor Dr. Firdaus Abdullah

Message from Editor-in-Chief

Assalamualaikum warahmatullahi wabarakatuh and greetings.

Praise be to Allah SWT, by whose grace and mercy the official bulletin of UiTM Sarawak Branch is successfully published. The release of this edition marks a significant new chapter in the university's communication and information-sharing landscape with the rebranding of the bulletin from Info Kampus to Varsity Edge UiTM Sarawak Bulletin.

This rebranding represents more than a change in name and appearance; it reflects a renewed aspiration that is fresher, more dynamic, and inclusive. Varsity Edge is envisioned as a progressive platform to highlight academic achievements, research, innovation, student activities, as well as the contributions of the UiTM Sarawak Branch community to society and the nation. This initiative is also aligned with the university's aspiration to strengthen its institutional image as a centre of academic excellence that remains relevant to contemporary needs.

As the Editor-in-Chief, I would like to extend my deepest appreciation and gratitude to the entire editorial team, contributors, and the UiTM Sarawak Branch community for their continuous support in making this publication a reality. It is our hope that Varsity Edge will serve as an effective communication medium, a source of inspiration, and a meaningful platform for knowledge sharing for all readers.

In closing, we sincerely hope that this bulletin will continue to remain relevant and gain a special place in the hearts of the university community and the public at large.

Thank you.

UiTMCS AND SARAWAK DAYAK GRADUATES ASSOCIATION (SDGA) EXPLORE EDUCATION AND HUMAN CAPITAL PARTNERSHIP

Source: UiTM Sarawak Rector's Facebook Page

Alhamdulillah, this morning I received a courtesy visit from the Sarawak Dayak Graduates Association (SDGA) at the Meeting Room, UiTM Sarawak Branch (UiTMCS), Samarahan 2 Campus.

The visit was led by SDGA President, Ts. Rizzo Mungka, together with members of the SDGA executive committee: Mr Jordan Anthony Layan (Deputy President), Mr Rudy Ujang (Vice President), Ms Aileen Kumang (Assistant Treasurer General), and Mr Franklin Lingga Abun (SDGA EXCO Member). Joining me in the meeting were Prof. Ir. Dr Juferi bin Idris, Deputy Rector of Research and Industrial Linkages; Dr Azra Tilai, Chairperson of the UiTMCS Endowment Establishment Committee; En. Hadi Jumaat, Research Management Coordinator (RMU) of PJI; and Pn Nur Aziela Aidit, Industry Network Coordinator (INU) of PJI.

The purpose of the visit was to introduce SDGA's roles and initiatives in the personal development of Bumiputera youth, particularly in education and career development. Among SDGA's initiatives are the establishment of the SDGA Entrepreneurs and Engineering Corner, community outreach programmes focused on education, and the organisation of a Hackathon on Culture, which provides a platform for the younger generation to showcase culture-based innovation.

The meeting also opened opportunities to explore strategic collaboration between UiTMCS and SDGA, including plans to sign a Memorandum of Understanding (MoU) to strengthen cooperation in education, research, and human capital development in Sarawak.

UiTMCS extends its utmost appreciation for this visit and hopes that this relationship will continue to grow for the mutual benefit of both parties, particularly in empowering the Sarawak Bumiputera community.

We also look forward to further collaboration to strengthen higher education opportunities for the Bumiputera community, especially in Sarawak.

UiTM GLOBAL FORGING STRONGER INTERNATIONAL SYNERGY AT UiTM SARAWAK

Alhamdulillah, after chairing the AICAD 2025 meeting, I had the opportunity to attend the Breakfast @ UiTM Global session with UiTM Global (UG) Shah Alam, which was held at the Auditorium B, Samarahan 2 Campus. The session was also attended by YBhg. Associate Prof. Datin Dr. Norazida Mohamed, Assistant Vice-Chancellor (International) of UiTM; Associate Professor Dr. Wan Fairos Wan Yaacob, Director of the Division of Strategic Partnership (DSP); Associate Professor Ts. Dr. Rosdiyana Hasham@Hisham, Director of the Division of Rating (DoR); Dr. Farrah Shafeera Ibrahim, Head of International Student Development, International Relations Division; Dr. Wan Juliana Emeih Wahed, Coordinator of UiTM Global Sarawak, together with Heads of Study Centres and Unit Heads.

The visit by the UiTM Global delegation coincided with the hosting of the Come Discover Bumi Kenyalang (CDBK) 2025 programme, held from 18 to 22 August 2025. The sharing session was highly engaging, as UiTM Global introduced the services and opportunities available in relation to international affairs and UiTM's standing in world rankings.

The organisation of this session was also aligned with UG's objective of holding engagement sessions with relevant departments to strategise ways of improving the scores of each element in the QS World University Rankings, conducted twice a year.

I hope that such sessions will be held more frequently in the future, so that UiTM's ranking will continue to rise.

UiTM SARAWAK SUPPORTING THE GREEN CITY INITIATIVE THROUGH WORLD CLEAN UP DAY

Source: UiTM Sarawak Rector's Facebook Page

This morning, I received a courtesy visit from Mr. Henry Teh, founder of the World Clean Up Day programme, at the Main Meeting Room, Samarahan 2 Campus. Accompanying me were Prof. Ir. Dr. Juferi Idris, Deputy Rector of Research, Industry and Community Network (PJI); Ts. Dr. Eng. Tech Noorsaidi Mahat, Coordinator of the Campus Sustainability Committee and Coordinator of the UiTM Green Centre (UGC) UiTM Sarawak Branch; Pn. Nur Aziela binti Aidit, Coordinator of Industrial Networking; Pn. Lenny Yusrina Bujang Khedif, Coordinator of Community Networking; as well as several other staff members.

The visit provided an opportunity for Mr. Henry Teh to share his experiences and successes in organising Earth Day programmes in Penang, which attracted a significant number of participants. Building on this achievement, he expressed his hope to expand a similar initiative to Kuching City. This aspiration aligns closely with the vision of the Premier of Sarawak, YAB Datuk Patinggi Tan Sri (Dr) Abang Haji Abdul Rahman Zohari bin Tun Datuk Abang Haji Openg, to transform Kuching into a Green City, as well as UiTM Sarawak Branch's ambition to become a Green Campus.

The organisation of World Clean Up Day is expected to deliver meaningful benefits not only to students, lecturers, and the university community, but also to local industries and the wider public. Through this initiative, the **5R concept—Refuse, Reuse, Reduce, Repurpose, and Recycle—**will be promoted as a foundation for sustainability education and environmentally responsible practices.

In addition to discussions on the implementation of World Clean Up Day, the meeting also explored proposals for strategic collaboration through a Memorandum of Understanding (MoU) between UiTM Sarawak Branch and Mr. Henry Teh. This partnership aims to strengthen cooperation in advancing future environmental sustainability initiatives and reinforcing UiTM Sarawak Branch's commitment to sustainable development.
