Rector's Remark

Professor Dr. Firdaus Abdullah
Rector
UiTM Sarawak Branch

Warm greetings to all our readers,

As we turn the page to this new issue, I am pleased to welcome you not only to another chapter of our university's story, but also to a refreshed identity for our campus bulletin. What you now hold in your hands is Varsity Edge, a reimagined platform that serves as a meaningful evolution, yet continues the spirit of Infokampus (its former name). This bulletin offers a fresher, more grounded lens through which we view UiTM Cawangan Sarawak.

In the previous issue, we reflected deeply on resilience, partnerships, and transformation lessons shaped by the pandemic years and guided by our aspirations towards 2030. This issue continues that journey. However, it does so with a renewed voice, one that speaks closer to the heart of UiTM Cawangan Sarawak and the campus community.

The decision to rebrand Infokampus was not taken lightly. For many years, Infokampus faithfully chronicled our milestones, achievements, and aspirations as a university. It served as an official and trusted platform documenting our institutional growth. Yet, as UiTM Cawangan Sarawak continues to evolve, so too must the way we tell our story.

Varsity Edge reflects a more personal, authentic, and inclusive narrative. It represents a renewed way of seeing, thinking, and engaging that goes beyond merely reporting achievements to sharing perspectives, from institutional announcements to human stories, and from top-down communication to a shared conversation. This new name embodies our identity that is grounded, inclusive, and community-oriented. It reminds us that UiTM Sarawak is not an isolated institution, but one that grows with and within its community. Through this lens, every lecturer, student, staff member, alumnus, and partner becomes part of the narrative.

While the name has changed, our values and direction remain firmly anchored. As highlighted in the previous issue, UiTM Sarawak continues to align itself with the national agenda under the Post-COVID Development Strategy 2030, as well as the global aspirations of the United Nations Sustainable Development Goals (SDGs). We remain steadfast in our mission to prepare graduates who are not only academically competent but also resilient, ethical, and socially responsible. The post-pandemic era has taught us that adaptability, collaboration, and empathy are no longer optional; they are essential attributes for future leaders.

Our efforts to strengthen teaching and learning, enhance digital capabilities, and expand industry and community partnerships continue to gain momentum. These initiatives are not standalone efforts; they are interconnected strategies designed to ensure that UiTM Sarawak remains relevant, competitive, and impactful in a rapidly changing world. In pursuing this, partnerships remain central to our growth. In line with SDG 17, UiTM Sarawak continues to foster strong collaborations with the Sarawak Government,

industries, community organisations, and international institutions. These partnerships have enabled us to contribute meaningfully to areas such as digital economy development, smart agriculture, community empowerment, and talent cultivation. More importantly, they have created pathways for our students and staff to engage beyond the classroom in applying knowledge, transferring skills, and co-creating solutions with real impact.

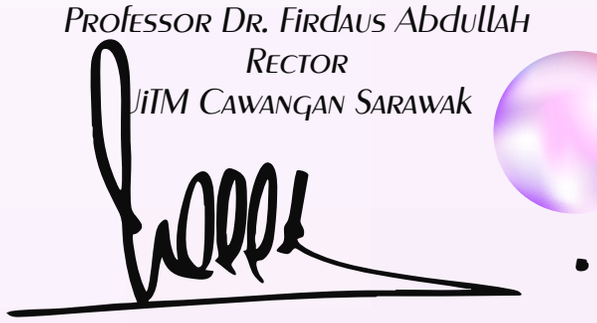

This new platform also reflects our belief that a university's strength lies in its people. Behind every award, accreditation, or recognition are individuals who work quietly and consistently to make excellence possible. Our academic staff continue to demonstrate dedication in teaching, research, and innovation. Our professional and support staff ensure that operations run smoothly, often behind the scenes. Our students bring energy, creativity, and purpose, thus challenging us to remain responsive and forward-looking. Our alumni and partners extend our impact beyond campus boundaries, carrying the UiTM Sarawak name with pride. Indeed, Varsity Edge provides space for these voices to be heard. It is a platform where achievements are celebrated, challenges are acknowledged, and lessons are shared openly.

As we step into 2026, we will further strengthen our strategic direction through ten new initiatives highlighted in the "Amant Rektor 2026" that will guide our collective efforts. We will intensify our commitment towards building a Green and Sustainable Campus while ensuring the mental health and overall well-being of our community remain a priority. We will develop a comprehensive social entrepreneurship ecosystem to empower innovation with impact, and continue to elevate excellence in sports, arts, and culture as part of holistic education. At the same time, we aim to expand international faculty engagement and nurture academic personalities who serve as media icons and thought leaders, strengthening our global visibility and distinction. Also, investments in sustainable infrastructure will support resilient and technology-integrated learning environments, alongside the establishment and reinforcement of Centres of Excellence focusing on future skills and strategic niche areas. Above all, we will continue embedding the principles of the Sustainable Development Goals (SDG), Education for Sustainable Development (ESD), and Environmental, Social and Governance (ESG) practices into our governance, curriculum, and operations to ensure that UiTM Sarawak grows responsibly and purposefully.

As UiTM Sarawak moves forward, Varsity Edge will serve as a mirror that reflects who we are, and a window that looks outward to who we aspire to become. The years ahead will continue to challenge us, but they will also offer opportunities for innovation, collaboration, and growth. With a clear strategic direction, strong partnerships, and a committed community, I am confident that UiTM Sarawak will continue to thrive as a university that is globally aware, locally rooted, and people-centred. Together, let us continue to move forward with purpose, guided by values, strengthened by partnerships, and inspired by the communities we serve.

Thank you and may our journey ahead be one of continued growth, unity, and positive impact.

warm regards,
Professor Dr. Firdaus Abdullah

Message from Editor-in-Chief

Assalamualaikum warahmatullahi wabarakatuh and greetings.

Praise be to Allah SWT, by whose grace and mercy the official bulletin of UiTM Sarawak Branch is successfully published. The release of this edition marks a significant new chapter in the university's communication and information-sharing landscape with the rebranding of the bulletin from Info Kampus to Varsity Edge UiTM Sarawak Bulletin.

This rebranding represents more than a change in name and appearance; it reflects a renewed aspiration that is fresher, more dynamic, and inclusive. Varsity Edge is envisioned as a progressive platform to highlight academic achievements, research, innovation, student activities, as well as the contributions of the UiTM Sarawak Branch community to society and the nation. This initiative is also aligned with the university's aspiration to strengthen its institutional image as a centre of academic excellence that remains relevant to contemporary needs.

As the Editor-in-Chief, I would like to extend my deepest appreciation and gratitude to the entire editorial team, contributors, and the UiTM Sarawak Branch community for their continuous support in making this publication a reality. It is our hope that Varsity Edge will serve as an effective communication medium, a source of inspiration, and a meaningful platform for knowledge sharing for all readers.

In closing, we sincerely hope that this bulletin will continue to remain relevant and gain a special place in the hearts of the university community and the public at large.

Thank you.

ENHANCING OFFICIAL DOCUMENT SECURITY THROUGH STRATEGIC COLLABORATION

Source: UiTM Sarawak Rector's Facebook Page

1 July 2025 (Tuesday) | I was honoured to welcome representatives from Percetakan Nasional Malaysia Berhad (PNMB) for a courtesy visit last Tuesday. The visit aimed to strengthen professional ties and explore opportunities for collaboration in areas related to secure printing and digital authentication.

During the discussion, both parties exchanged ideas on enhancing the security features of official documents such as certificates, Memoranda of Understanding (MoUs), Memoranda of Agreement (MoAs), Outstanding Employee Awards, official letterheads, and letters of appointment. We also held meaningful dialogue on the potential implementation of digital signature solutions to improve document integrity and streamline administrative processes.

On behalf of UiTM Sarawak Branch (UiTMCS), I extend my sincere appreciation to PNMB for the fruitful engagement. I look forward to future collaborations that support innovation, security, and excellence in both administrative and academic practices.

UiTMCS ADMINISTRATION DIVISION RETREAT: PEOPLE, PURPOSE AND WELLBEING

Source: UiTM Sarawak Rector's Facebook Page

4 July 2025 (Friday) | Alhamdulillah, yesterday morning I attended the closing ceremony of the retreat session for the UiTM Sarawak Branch (UiTMCS) Administration Division, held at a resort in Sematan. Thank you for inviting me, which gave me the opportunity to share the management's aspirations and hopes with all the staff involved.

I enjoy sessions like this because they allow me to meet and get to know staff members, especially our support staff who serve across various departments and units. That is why the management continuously supports such activities and encourages wide participation. Retreats such as this also contribute to one of the campus Performance Indicators (PIs): the Happiness Index.

I would like to remind everyone that support staff are the heart and backbone of UiTMCS's growth and development. Without them, the university would not be able to function effectively, and many tasks would be delayed. Please know that the roles and duties you perform are incredibly important. Therefore, I encourage you to carry out your entrusted responsibilities to the best of your ability.

We also recognise that some staff are facing various challenges which, if left unaddressed, may hinder the management's efforts to provide the best service to our clients. As such, we are working to identify those who may need support and are ready to offer assistance, so that no one feels sidelined and everyone can continue contributing meaningfully to the development of our campus.

In addition, I urge support staff to continue upgrading their knowledge and skills by furthering their studies, whether through full-time or distance learning. I assure you that the management will always support such efforts, whether at UiTM or other higher learning institutions.

To strengthen English language proficiency, especially among support staff, I will propose that every Monday be designated as Corporate Day or English-Speaking Day. All UiTMCS members, including staff and students, will be encouraged to communicate in English on Mondays. Insha-Allah, we will launch this initiative soon.

At the same time, I emphasised that each staff member should be involved in at least one type of sports. There are many sports activities available which promote a healthy lifestyle among staff. I also encourage everyone to be active in community engagement, as there are many collaborative community projects we can implement together.

I also challenge support staff to think outside the box by participating in the Creative and Innovative Group (KIK) or Operational Excellence (OE) competitions held annually. Ideally, ideas for these projects should originate from support staff—not management—because they are the ones most involved in the work processes that could serve as the foundation for KIK or OE projects. I hope to see more such projects in the future.

The retreat session was also attended by En. Mohd Hasimi Abdullah, Senior Deputy Registrar of the Administration Division, along with more than 40 staff members from the Administration Division of Samarahan Campus, Samarahan 2 Campus, and Mukah Campus. This included staff from the Rector's Office, Corporate Communication Unit, and Quality Management Unit, comprising the implementation group such as drivers and administrative assistants, as well as the management and professional staff.

Among the activities conducted during the 3-day, 2-night retreat were the instillation of UiTM values, telematches, treasure hunts, a hiking trip to Tanjung Datu National Park, a barbecue session, and karaoke.
