H.E.R SMART TIP

You do not need every component for every journey. Select and customise your H.E.R Kit according to your needs.

ONE KIT. EVERY JOURNEY.

CABIN TRAVEL READY
Pack Smart. Fly Prepared.

Size & Weight

Check your airline’s current cabin-baggage dimensions and permitted weight before departure.

Liquids & Batteries

Check current rules for liquids, aerosols, gels, batteries and power banks.

Prohibited Items

Review prohibited and restricted carry-on items before packing.

Food & Beverage Rules

Check food, medication, security and destination-specific requirements before travel.

IMPORTANT

Always follow the current requirements of your airline, airport, security authority and destination country.

H.E.R is designed to support compact, organised and travel-friendly packing; it does not guarantee compliance with every airline's cabin-baggage policy.

Travel Light. Travel Smart. Travel Ready.

WHO IS A MUSAFIR ?

A musafir is a Muslim traveller who may qualify for travel-related concessions in worship. Eligibility can depend on travel distance, intention, duration of stay and applicable Islamic guidance.
Refer to recognised Islamic authorities for guidance relevant to your circumstances.

PRAYER ON AEROPLANE / WHILE SEATED

- Pray standing if possible
- If not, pray while seated
- Bow & sujud by nodding
- Face Qiblah as best as you can

WHO IS A MUSAFIR ?

A musafir is a Muslim traveller who may qualify for travel-related concessions in worship. Eligibility can depend on travel distance, intention, duration of stay and applicable Islamic guidance.

QASAR & JAMAK PRAYERS

Solat Qasar (to shorten)

You may shorten:

- Zohor → 2 rakaat
- Asar → 2 rakaat
- Isyak → 2 rakaat

❌ **Subuh & Maghrib are not shortened**

Solat Jamak (To combine)

Types:

- **Jamak Taqdim – pray earlier**
- **Jamak Takhir – pray later**

You may combine:

- Zohor + Asar
- Maghrib + Isyak

TAYAMMUM

What is Tayammum?

Tayammum is a dry purification used in place of wudu’ in circumstances permitted by Islamic guidance, such as when water is unavailable or its use is unsuitable.

- **When is it allowed?**
- **Steps:**

1. • Water is unavailable
2. • Using water may cause harm
3. • Suitable facilities are unavailable

1. 1. Make the intention
2. 2. Follow the recognised tayammum method
3. 3. Refer to trusted Islamic guidance when unsure
