CHAPTER 1.0 INTRODUCTION

1.1 INTRODUCTION

Project Report is one of the subject which had to be taken by student part six (06) in this department. The purpose of the course as a practice for student to conduct their research based on their studio final project for this project report is a report on a new proposal which is proposed new design of Canon Showroom for Canon Malasia Incorporated at No. 1, Jalan Sultan Azlan Shah, Perak Darul Ridzuan.

Canon is one of the most well known franchisore of their product such as cameras, photo camcorders, photocopiers, steppers and computer printer. Founded in Tokyo Japan by Fujio Mitarai on 10th August 1937. One of the famous canon production is its camera. This is because alot of camera consumer nowadays such as photographer and community. Therefore the Canon product is truely know as the symbol of camera. Camera that Canon produce also got alot of different lvl such as Pro Camera, Trainee Camera and Amature Camera. Each of the level got almost a thousand model speacial for the people who love on camera.
