List of Figures	ix

CHAPTER 1 : INTRODUCTION AND OVERVIEW

1.1 Introduction	1
1.2 Company Background	5
1.3 The Need for Local Authorities Cooperaaation	13
1.4 Problem Definition	
1.4.1 Problem Question	17
1.4.2 Problem Situation	21
1.4.3 Preliminary List of Possible Factors	21
1.4.4 Probable Relevant Facts	22
1.4.5 Basic Assumption	23
1.4.6 Research Problem	23
1.4.7 Research Objective	25

CHAPTER 2 : METHODOLOGY AND LIMITATIONS

2.1 Importance and Benefit of the Study	26
2.2 Methodology	
2.2.1 Sample Selection	26
2.2.2 Data Collection	27
2.2.2.1 Primary Sources	27
2.2.2.2 Data Analysis	29
2.3 Research Design	

ACKNOWLEDGEMENT

I am sure that this thesis would not have come out without the strong support of the most understanding parents that I have. I would also like to express my gratitudes to Maddie, my brothers and sisters and not forgetting my peer friends. Thank you for standing by me.

Greatest thanks to the mentors who helped me lay the foundation for my research, provided valuable encouragement and counsel including Mr. Wan Shaharir Johan Haris, Mr. Zakwan Zabidi and my advisor, Mrs. Rosena Mohd. Ali. Thank you for sharing your wisdom and ideas.

I would also like to acknowledge the staffs of Intrakota Consolidated Berhad especially the managers and particularly, Mr. Jaafar Hitam, the Operations Manger and Mr. Sohairi Samat, Operations Executives.

PREFACE

As an introduction to the research being done, **Chapter 1** is an overview of the current situation of the subject. This chapter outlines the problem statement of the research. Generally, this chapter also provides some information about the company, Intrakota Consolidated Berhad, which the researcher refers during the research.

Chapter 2 in this thesis discusses on the methodology of the research. Continuing in giving the big picture of the research, the chapter also mention the importance and the purpose of the research. As the time duration of the research is short and limited, this chapter also defines the scope and limitations of the research.

Chapter 3 provides literature studies done in association to the research made. It is done in a way that the researcher tries to relate the available literature with the environment face by ICB.

In **Chapter 4** is the presentation of the data collected for the research. As a supplementary, charts and figures were produced in this chapter based on the data collected. The information are then analysed as to elaborate on the problems face during the merger program.

Chapter 5 closes the discussions by concluding the problems that correlates the merger program. This chapter also recommend several options available for the merger company towards undertaking the task of post-merger.
