Fruit Loops is company which focus on food production in Malaysia. Sushi is one of the favourite foods in Japan and also in Malaysia. We try hard to innovation the product which is the combination of the sushi rice and fruits. Other products that our company also produce is Casablanca that are using mango as a main ingredients. The texture and colour of our product will be the main attraction in our company.

Based on our objective, we believe that our business have potential for being profitable business using the all marketing strategies to attract our customers. We expect that our business will become more development in futures with the innovation of fruits. The demand will increase during the accession but in the long term and profitable in future.

1.2 PRODUCT DESCRIPTION

Fruit Loops is about a combination between dessert and fruits. At Fruit Loops & Co have two main product which are Sushi Fruit and Casablanca. Sushi fruits are using the idea from a Japanese Cuisine where we change the concept and mix them with fruit. Sushi is the fruit of our company products that showcase the diversity of design and flavors. Each design has the uniqueness and freshness where every bite is able to give pleasure to the customers. Each type of fruit we produce sushi is using fresh fruits and guarantee quality. The idea to introduce this products we can through research where Sabahans who prefer sushi.

Casablanca product that our company produce the idea of dessert from Italy containing the main ingredient in cream nestle as couple with sense of mango fruit infused in each layer of the desserts.

Our company also produce fresh fruit juice , we take from a supplier that are daily send fresh fruit to our premise. The combination of fresh fruit and fresh milk which blend together to produce products that are more eye catching. Our company try hard to produce product that will satisfy our customer needs and wants.
