ABSTRACT

The fundamental aim of this study is to examine whether the administration of *waqf* in Malaysia have been systemized with reference to four states in Malaysia, namely, Johore, Malacca, Selangor and Penang, well as some comparisons to the administration of *waqf* in Pakistan. We have done a study based on interpretation of relevant statutes as well as enactments on relevant states mentioned above. Interview have been conducted in order to obtain different views namely on the point of view legal scholars and Islamic Scholars. By this research we hope to increase awareness among the public regarding the institution of *waqf*.
