## II. ACKNOWLEDGEMENT

By the Name of Allah, the Most Gracious and the Most Merciful

Alhamdulillah, Praise and gratitude be given to Allah the Almighty for putting forward us such a great strength, patience, courage, and ability to complete this project.

We would like to express our sincere gratitude and heartily thankful to our supervisor, Ustazah Fadhilah, from CiTU department of Mara University of Technology whose encouragement, guidance and support from the initial to the final level enabled us to develop an understanding of the subject and also for her intelligent guidance and helpful advice during the whole process. She has really been given us a centre of motivation and guidance and we are truly grateful to her continual support and cooperation, as being prepared to assist our group all along the completion of the project. Completion the project was impossible without her continuous assistance.

We would like to express deeply and sincerely gratitude to officers at Jabatan Agama Wilayah Persekutuan Kuala Lumpur, Ustazah Maimun Binti Baharum from Sekolah Agama Seksyen 3, Shah Alam for her support and cooperation during the interview and that we manage to get the answer to our question that is related to our topic.

Next, we would also like to thank to our parents for their love, affection, trust, and support they have extended to us in every step of our life. In addition, we would also like to present our sincere and profound gratitude to our close friends Christine Gloria, Wan Fazilah Salmi, Liah Asul, Maseirfan Shamsul Gabil, Zebedee, Bryan Albert and Nur Amalina Jaafaar for their love, support and encouragements.

Finally, we would like to demonstrate our appreciations to everyone who has helped either directly or indirectly to the completion of this project.

### **III. ABSTRACT**

This academic project will focus on the position of the illegitimate child under Islamic Law and Civil Law. Subsequently, this research will be strengthening and supporting by the Holy Quran, Hadith, the opinion of the different School of thought and legal sources. The library research, reviewing relevant document, interview and internet were the tools employed for data gathering purposes. The finding indicate that the illegitimate child has a certain positions in Islamic Law and Civil Law such as the position in the parenting, maintenance and custody, marriage and position in the inheritance of the illegitimate child. Other legal positions that also will be viewed in this research are leading the prayer, giving testimony and funeral prayer of the illegitimate child.
