ACKNOWLEDGEMENT

In the name of Allah, the most gracious the most merciful. By the wish of Allah the Almighty, this piece of work has reached its completion. Blessing and peace be upon Prophet Muhammad s.a.w.

I wish to express my immense gratitude and heartfelt thanks to my research advisor Mr. Ikram Ramzi and Mr. Ahmad Bukhari as my second examiner respectively for their guidance and constructive comments as well as their suggestion which helped me to improve the quality of this project paper. Their contributions have as well helped me to producing a project paper that is beyond my capabilities.

Special thanks to Bursa Malaysia Berhad for their willingness supplying me with the materials and meaningful information to complete my project paper. I would also like to extend this acknowledgement to the all staff for their cooperation and support.

Acknowledgements are also due to my beloved parents Abdul Wahab Deraman and Fatimah Awang Su for their support and encouragement towards pursuing higher education. Special dedications to my beloved friend Razis bin Mohd @ Ariffin for your support and guidance and to all my classmates who have lent me their knowledge, support, guidance and expertise in various fields. Besides that, a big thanks to internship's supervisor and staffs for understanding and support for the completion of this project paper. I also would like to express my special thanks to the Universiti Teknologi Mara (UiTM City Campus, Kota Bharu) for providing sources of data and references. May Allah reward them with the best rewards in this world and Hereafter. End of the word, thank you to all who are involved directly or indirectly in completing this project paper.
