ACKNOWLEDGEMENT

Primarily I am grateful to God for giving me a good health to complete technology blueprint assignment with success. First of all, I would like to thank my parents for giving moral and financial support throughout this reasearch. Then, deep appreciation to my technology entrepreneurship lecturer, Madam Wan Mansieza Bt Wan Mustapha for guided me on how to complete this assignment. Although she have poor connection of internet, but she still determine to teach me and my classmates through voice note. I was so touched with all the effort she gived to us.

Other than that, all the materials and notes about this subject is really helpful to finish this assignment in a correct format. After completing this assignment I feel bless as I managed to know more about bisness subject althoough I am just a mathematics student.
