ACKNOWLEDGEMENT

I'm truly grateful to Allah S.W.T for the achievement to complete this business pelan as one of the requirement needs to be fulfilled for the course work assessment of code ENT 300.

Big thanks to my family for supporting me to complete this assessment. Besides, most importantly to my lecturer, Madam Asiah binti Ali for her kindness and consideration in helping me through all the completion process for this course work. She has contributed her time and energy in providing the helpful and useful information. Without her, I'm probably faced such a hard time to complete this business plan.

This course work thought me to be more organize and mature in dealing with challenges during the completion of project, This report may guide new entrepreneur who want to start business as it covers organization, marketing, financial and operation plan,

Lastly, I'm truly grateful and thankful to all people who involved directly or indirectly for the efforts and action they have shown until the success of business plan completion.
