Sir,

BUSINESS PLAN OF CEREMONY EQUIPMENT

Regarding to the matter above, we have been put a trust and also assign to prepare and complete a business plan in order to fulfill the condition in subject ETR 300. Alhamdulillah, because of our effort, we manage to complete this business plan base on the guideline and procedure. To complete this Business Plan, we get co-operation from group members, individual and people that either involve directly or indirectly in this Business Plan.

Angsana Canopy Enterprise

This Business Plan of Ceremony Equipment consist of all the information that have been discuss systematically including the objective, background, management and few main aspects.

With this, we hope that this business plan that we made can give the benefit to all as a reference and also other academic purpose. Hopefully one day this business can be true one day.

Lastly, anything that good is from Allah S.W.T and all the weaknesses is from us.

Thank you.

Your sincerely,

.....
(SITI SHARINA BT. MD SALIM)
