## **ACKNOWLEDGMENT**

We begin in the name of Allah, Most Beneficent and Most Merciful. Praise to Allah SWT for providing us with great health, strength and emotional supporting for the completion of this new product development report as one of the requirement that need to be accomplished in the course work assessment for subject Technology Entrepreneurship (ENT600).

The success and final outcome of this assignment required a lot of guidance and assistance from my lecturer, Madam Azzah which made me complete the report on the time. I extremely grateful to her for providing such a nice support. Without her, I would not be able to complete this new product development report.

Last but not least, a special thanks to my families and friends for their support in completing this report. They always give me ideas and comments on my product so that I can improve my product in many ways.
