ACKNOWLEDGEMENT

It is an ultimate gratitude to Allah S.W.T the Most Beneficent and Most Merciful towards completing this blueprint. May Allah pardon and forgive our weakness bestow us with knowledge and help.

Besides the efforts from us, the success of this blueprint depends largely on the encouragement and guidelines of many others. We take this opportunity to express our gratitude to the people who have been instrumental in the successful completion of this project. We would like to show our greatest appreciation to our lecturer, Madam Azzah binti Amran for her time, support, advices and consistent guide throughout completing this report. We cannot say thank you enough for her tremendous support and help. She inspired and motivated us to complete this blueprint. A huge thanks and love to her willingness to motivate us contributed tremendously to our business plan proposal. Without her encouragement and guidance, this blueprint would not have been done.

Finally, it was an honourable mention goes to our families and friends for their understandings and supports on us in completing this final project. Without their help of the particular that mentioned above, we would face many difficulties while doing this project.
