ACKNOWLEDGEMENT

Alhamdulillah praises and thanks to Allah because of His Almighty and His Utmost blessings, I was able to finish this case study within the time duration given. I would like to take this opportunity to express my gratitude and indebtedness to my beloved parents and family for their unconditional love and support throughout this whole process.

A special thanks goes to our lecturer for this subject ENT600, Madam Yusrina Hayati Nik Muhammad Naziman for giving me the opportunity to embark on this project. Thank you for all the constructive comments and long discussions that enable me to complete this work.

Furthermore, I would also like to acknowledge with much appreciation for the huge cooperation by NZAA Trading and En Mohd Nasaruddin who gave the permission to me for the interviews and the necessary materials to complete the task in this course. Last but not the least, I would like to express the deepest appreciation to all my peers who have helped me with this case study.
