## **ACKNOWLEDGMENT**

First of all, I would like to thanks to Allah S.W.T the Most Beneficent and the Most Merciful for helping me in completing this project on time.

Next, I would like to express enough thanks and grateful to my beloved lecturer Madam Yusrina Hayati binti Nik Muhammad Naziman for her continuous encouragement and support for helping me. I am also thankful for their patience in helping us understand the requirement needed in completing this study. Without her help and pressure on me, I may not be able to complete the assessment within the stipulated time.

Then, my case study could not have been accomplished without the support of my parent and family members. Their encouragement and support during the rough time are very much appreciated and daily noted. It was a great relief to know that they always be there with me in my ups and downs. Thanks once again for my parent and family members for being my backbone and keep encouraging me to do better.

I am also would like to record my sincere thanks to all my friends, classmates for their help and information sharing.

Lastly, special thanks rewarded to one and all who, directly or indirectly, have lent their helping hands and offers their ears to listen to my problems and help me solving it.
