ACKNOWLEDGEMENT

First and foremost, praise and thank God the Almighty for His showers of blessings throughout my case study project in order to successfully complete this work.

I would like to express my deep and sincere gratitude to Puan Yusrina Hayati, ENT600 Lecturer for overseeing and guiding this entire project. She always guides me and helps me when I have trouble completing this project.

Other than that, I would like to extend our thanks to Seri Bina Enterprise in particular Mr Asri for taking part in the ENT600 Technology Entrepreneurship Case Study Project. Cooperation and full thinking throughout the interview session really leave a profound mark in our hearts.

Finally, I would like to thank all the people who have helped me directly and indirectly to complete this project.
