## **ACKNOWLEDGEMENT**

*Assalamualaikum w.b.t.*

I would like to express my deepest appreciation to those who helped me in completing this report. A special gratitude I would give to my lecture Madam Wan Masnieza Binti Wan Mustapha, whose contribution in stimulating suggestions and encouragement, helped me to coordinate this project especially in writing this report.

Completion of this project could not have been accomplished without the cooperation from the D'Roi F&B Industries owned by Rohaya Binti Shahibudin who gave me a lot of information in completing this report. I am extremely grateful to my parent as well that always gave support and encouragement to me. I also appreciate the guidance given by my friends and classmates in this project report. Last but not least, I want to thank The Almighty Allah SWT for giving me His guidance and hopefully His blessing as well in making this research and finishing this report, alhamdulillah.
