ABSTRACT

This report is all about my originality attitude and what my Industrial Company had been shared their knowledge. Along two months, the technician are invited me out to visit the site and joined the meeting. They showed me the real of working nature.

In this report, I would explain about my working experiences and activities during my internship in SAJ Ranhill sdn.bhd. In SAJ, I was assigned in distributions department which is to ensure that the consumer can use water without any problems and servicing the asset of their department.

ACKNOWLEDGEMENT

Without them, I am nothing. I would like to thanks to my mom because they give me a lot of supports during Industrial Training. Moreover, they always remind me to be more patience when working. Therefore, they understand my work and what am I doing during the internship. I am very grateful to having her in my life.

I am highly grateful to SAJ Ranhill to allowing me to involve in many types of work. It is truly a matter great pleasure me to express my sincere thanks and gratitude to my distributions department for their supervision and encouragement throughout this internship. I would like to thanks to my supervisor, Mr. Raub bin Kamin because giving the best cooperation with me. Even he is busy with his work and meeting, he would like to remind his technician under him to guide and teaching me. I am highly obliged to Mr. Nuruddin, Mr. Khairun Najib, Mr. Adnan, Mr. Zianalabidin, Mr. Mohd Munsyi, Mr. Abu Nooh and Mr. Khairul Anwar and other staff for their guidance, kind concern and encouragement throughout this internship. It is a wonderful experiences to be a part of distributions department where I am work under brilliant minds. The knowledge gained throughout my studies to have the practical implementation during this period.
