## **EXECUTIVE SUMMARY**

Xoxo Cafe is a new coffee shop that is operated in Bintulu, Sarawak. The business form an enterprise based on the partnership ventures of four persons that also act as managers in the company. Our group has come out with a partnership business plan which provides product for our customer. It is a modern-inspired café that serves a nice range of coffee, homemade desserts not to mention quality and aromatic coffee.

In order to establish this business plan, all four major aspects of the plan including administrative, operational, marketing and financial planning have to be taken into consideration. This is important for any establishment of a business plan because it can help to predict the progress of the business, to forecast success and build strategy in marketing.

In administrative plan, it helps to manage the overall business objectives and goals in order to accomplish the purposes of business plan. Besides that, admin also deals with the remuneration of staffs and their responsibilities in the organization. In addition, the list of office equipment and furniture, administrative budget are taken into consideration.

In operational plan, it helps to determine the process of operations in the business and will be presented by a flow chart format. This stage is where the manager has to prepare the schedule of operations so that they can run the company smoothly. All the materials, machines and equipment, and manpower have to be listed properly according to the reasonable amount. So, a layout plan and budget need to be prepared altogether with the expenses incurred in the business.

In marketing plan, the manager needs to meets the customer needs and wants by determining the target group of customer. In addition, she have to describe clearly the products that provides to the customer in order to estimate the market size and market share to be compared with the competitors in the same industry. Other functions of marketing manager are to plan the marketing

## NAME OF COMPANY

XOXO Café is the name that we all agreed for our business. XOXO means hugs and kisses. Hugs and kisses or **XOXO** is a term used for expressing sincerity, faith, love, or good friendship at the end of a. XOXO is a coffee shop that based on love or any kind of positive vibes. Anyone can go and chill in our café with beloved ones. Besides that, it also gives special meaning for us as a partnership. It builds our strong relationship as a friend and partnership.

We also have to find the suitable name for our business and marketing representatives for marketing strategies. We choose coffee shop as our business because coffee shop are full with people going in and out. The environment also encourages the momentum and keep a nice level of noise going in conversation that might feel awkward elsewhere. In addition, coffee has definitely has its pull in society such as profitable treat, gathering place and a reward at the end of hard day.
